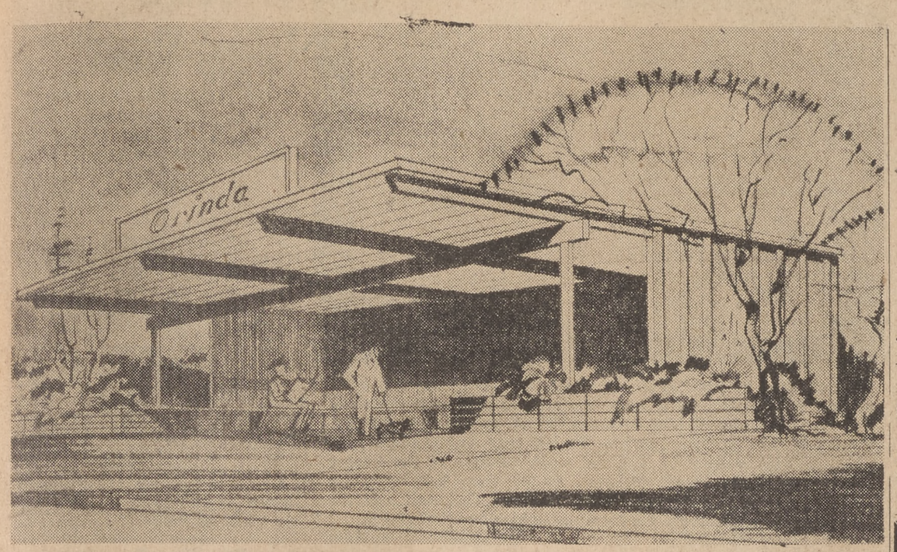
School Bond Issue for Moraga Voted



TO SHIELD ORINDANS from wintry weather while waiting for their morning Greyhound, Architect Jack Buchter has designed a proposed bus shelter in keeping with the suburban character of Orinda. The shelter will be located on a 320-foot turn-in strip parallel to Mt. Diablo Boulevard on the north side of the highway. The strip, now under construction by Watkin and Sibbald of San Anselmo, is between the turn-off to the Village and the loop which takes Oakland-bound traffic onto Mt. Diablo Boulevard.

Trustees OK $250,000; Action Now Up to Citizens

By WALT JOHNSON

A $250,000 bond issue for the Moraga School District was voted Monday night by the board of trustees at their regular monthly meeting at Moraga School. When the bond issue will come before the voters is uncertain.

As a step toward further easing of the problem of educating the children of Moraga's future population, the board also authorized borrowing $250,000 from the state.

The three trustees are John A. Sanders, clerk, Harry L. Rohrer and William J. Ross.

SUCH BOND action by the board had been urged by B. O. Wilson, county superintendent of schools, at a public meeting October 28 in Moraga School.

He also urged that the school bard immediately determine the overall plan for development o the area.

In line with this, Moraga's trustees met in joint session last night with the Canyon School District trustees at Moraga Ranch and voted to open negotiations toward hiring the Stanford Associates who specialize in school surveys.

Clerk of the Canyon board is Mrs. Margaret Chessum. Other members are Allen R. Crawford and John P. Shally.

WILSON remarked at the October 28 public meeting that Moraga is now the third wealthiest school district in the county in terms of assessed valuation per child, presently $38,129.

Such a condition could not long exist, he said, if present development continued principally along residential lines.

Additional population is actually a liability for school tax purposes, he pointed out, because of the fact that there is a one to two-year lag between the arrival of the school child and the increase in tax receipts incident to the completion of his new home.

"Wealth exists where people work," said Wilson.

Association's Membership Drive Rolls Toward Record

By JULIUS ROSENTHAL

Expectation that the Orinda Association's current membership drive will result in an all-time record membership of "at least 2000 families" was voiced yesterday by Drive Chairman T. D. Sanford.

Sanford's comment was made following a meeting Wednesday night at Orinda School auditorium, at which zone captains reported on drive results to date.

"With only four areas having submitted complete reports, out of the 24 areas into which Orinda was divided for the campaign, nearly $2000 in 1956 dues was turned in Wednesday night," the drive chairman reported.

"THAT MEANS that close to 1000 families, or about 2000 individuals, are already definitely on our books for 1956.

"It looks to me as if the overall result of this drive will probably be the signing up of 65 to 75 per cent of Orinda's approximately 3000 families. That would be at least 2000 families, or some 4000 individuals."

Membership dues are $2 per family for the calendar year of 1956. The 1955 membership of the Orinda Association has been about 600 families, or approximately 1200 individuals.

AT THE WEDNESDAY night meeting Sanford announced that additional time will be allowed for completing calls on families and for the turning in of dues by those of the more than 150 volunteer workers who have not yet made full reports. These workers serve under the zone captains.

"Our aim is to have the membership drive completely wound up as soon as possible, so as to clear the way for the mailing of ballots in the association's annual election of directors, expected shortly after December 1," Sanford said.

Among those present at the meeting, along with Sanford and the zone captains, were Vice-President Frederic A. Sawyer, Treasurer John Ogden and Chairman Paul Pollaczek of the association's Civic Affairs Committee.

Merle Brown of the American Trust Company was called in to handle the drive money on hand.

SANFORD SAID yesterday that membership drive zone captains will report to next Monday night's Civic Affairs Committee meeting at Orinda School on some of their drive experiences. The Civic Affairs meeting will start at 8 o'clock.

The drive chairman Wednesday night expressed appreciation on behalf of his committee and of association officers, for the efforts of the many workers in the campaign.

He pointed out that due to the difficult terrain in some parts of Orinda, some residents may be missed by the workers.

"IN THAT CASE," he suggested "it would be appreciated if the residents mail their dues to the Orinda Association, P. O. Box 97, Orinda, so that they will receive ballots in the election of directors."

Association leaders pointed out that even the approximately 1000 families listed as 1956 members by last Wednesday night constituted the largest Orinda Association membership in several years.

Candidates for five directorships will be suggested by the nominating committee, headed by William Thurston.

TO BE ELECTED for two-year terms, the new directors will replace five whose terms are expiring at the end of this year—President Robert Boyle, Ogden, Mrs. Stuart Henderson, Harold Rote and Joe Conley.

Boyle will serve next year as a director-at-large, since he will be immediate past president.

Directors to be elected will be from certain designated voting areas in Orinda.

Holdover directors, whose terms will continue through 1956, are Mrs. Robert Harrison, Mel Arighi, Sawyer and Clinton Hallsted. Zach Montgomery, who was 1954 president, is the current director at large.

Five Injured As Car Smashes Utility Pole

Five Richmond residents suffered injuries at 2:45 Tuesday afternoon when the car in which they were riding crashed into a utility pole on Orinda Highway in front of the East Bay Municipal Utility District filter plant in Orinda.

The injured, all taken to Kaiser Foundation Hospital in Walnut Creek by two ambulances driven by Bill Pomeroy and Bob Sheridan of the Walnut Creek Ambulance Service, included:

Miss Linda Moyer, 15, severe head cuts and profuse bleeding.

Beatrice Bumpus Hale, 19, cuts and leg injury.

Betty Hodges, extensive cuts and bruises.

Meredith Jovan Travis, 20, lacerations of the hand and face.

Gerald Watkins, driver of the car, lacerations and an injured right shoulder.

The hospital reported that all five were given emergency treatment and released.

Highway patrolmen said the car apparently was northbound and hit the pole 200 feet southeast of Claremont Drive. The accident is still under investigation.

John Black, PG&E manager for Orinda, reported a broken guy wire but no power failure as a result of the crash.

Tomorrow is Closing Date for Mail Work

The closiing date for veterans who wish to apply for work at Christmas time in the Orinda Post Office is tomorrow, according to Laura Mallary, postmaster. Orinda residents only may apply.

Raffi Bedayn Offers to Build Shelter at Cost

A cost only bid of $879 was submitted for construction of the bus shelter at Orinda Interchange by Raffi Bedayn, independent contractor, this week, according to Ramsay Underwood, chairman of the Orinda Chamber of Commerce bus shelter committee.

The chamber has $610 on hand for construction of the shelter. "We are looking for additional sources of finance," he said. Bedayn's bid does not include fencing.

UNDERWOOD met Tuesday with J. W. "Jack" Krug, operating manager out of Greyhound's Oakland office, concerning actual location of the shelter along the turnoff strip.

Krug said locating the shelter as far toward the west end as possible would allow room for at least four buses to line up by the sidewalk. However, he added that this was merely a suggestion.

Underwood also said he had talked with Verne Odegard, PG&E district representative of the East Bay division, and electricity for lighting the shelter would be provided whenever the committee desired it.

WATKIN AND Sibbald have a December 19 date for completion of the bus turnoff and an April 9, 1956, date for completion of the landscaping.

However, for each inclement day during which work cannot progress, an extra day is added to the contract time.

The area is now plowed up for fertilizing and for installation of a sprinkler system.

Funeral srevices were held recently for Lt. Col. Arthur P. Crist, USMC, ret., father of Raymond Crist, 3350 Moraga Boulevard. Lt. Col. Crist was 72 and an Oakland resident.

The Bird Tips Our Rain-Bucket

Orinda's weatherbird tipped the rain-bucket this week with the result that up to yesterday morning 1.7 inches of rainfall had been measured here.

That brought the total rainfall for the weather year (since July 1) to 1.9 inches.

High and low temperatures were:

	High	Low
November 9	83	39
November 10	85	42
November 11	72	39
November 12	69	34
November 13	55	30
November 14	47	38
November 15	54	31
November 16	49	32

Transportation, Water Problems Told by Breed

Water and transportation represent two basic unsolved problems faced by the California State Legislature, State Senator Arthur H. Breed told Tuesday's luncheon meeting of the Orinda Chamber of Commerce at the Willows.

These problems are heightened by the 1000 people a day who have been migrating into California for the past 15 years said Breed, who represents Alameda County in the legislature.

HE SAID a joint legislative interim committee will meet November 28 at 10 a.m. in the Alameda County Court House for public hearing of highway needs of Contra Costa, Alameda, Napa and Santa Clara Counties.

"We wonder how citizens feel about raising additional funds for highways," said Breed.

As to the water problem, he commented, "We in the East Bay Municipal Utility District are in pretty good shape. EBMUD is filing for additional water rights."

A BASIC conflict in the water problem is between "areas of need" (which have the population and not enough water) and the "areas of origin" (which have the water).

This creates a twofold problem, according to Breed:

1. Protection of the rights of the areas of origin while removing water.

2. Transportation of the water to the areas of need.

Defining the formula to encompass both of these factors is an involved process, including among other things, who will administer the formula and what kind of written law will be involved.

Basically, the water problem is a rural vs. urban one, according to Breed who is finishing his 21st year as a member of the legislature. He was introduced by his brother, Horace, program chairman for the day.

DURING A business meeting prior to Breed's talk, a discussion was held on the possibility of having a chamber representative, who would be a businessman and resident of Orinda, sit on the Board of Directors of the Orinda Association.

To look into the matter President Ned de Laveaga appointed a two-man committee of John Ogden and Ernie Poll. At present, the nine association directors are elected from nine geographical areas, as was explained to the gathering by Ogden and Ramsay Underwood.

Laura Mallary, Orinda postmaster, told the chamber that the post office faces a critical situation on parcel post delivery during the Christmas season because she has been unable to find rental space for an additional post office.

John Ogden and Dr. Edwin McCord were appointed to seek some solution to the postal problem.

A LETTER was read from the Contra Costa County Development Association asking a resolution by the chamber that the Navy remove its ammunition dump from Port Chicago. The request was taken under advisement.

Dr. Richard Lininger wrote to the chamber in opposition to any loudspeaker broadcast of Christmas music this year. He said it interfered with his medical practice last year, and asked the chamber to allow him to discuss the matter with it before considering music again this year.

Al Baer was appointed to study Christmas decoration of the Village.

Underwood gave a roundup on the bus shelter situation (see separate story).

Buttes Oil Well Hits 9000 Feet; Tests Running

Buttes Oil and Gas Company's well on the Wiedemann property just south of San Ramon hit a depth of 9268 feet Wednesday morning when drilling operations were stopped to permit the running of an electric log, according to company officials.

Whether or not drilling will continue could not be ascertained, but it was noted that the company cannot drill beyond 9500 feet with its present equipment at the site.

The electric log test is a procedure whereby the company and its geologists can determine accurately the strata through which the well has passed and the possible petroleum or gas content therein.

The company had originally planned to drill 9000 feet, according to president O. G. Green.

Stygian Drivers Will Arrive Here For Annual Rally

The Stygian Rally November 26 is expected to draw some 200 sport cars into Lafayette where they will assemble at Acalanes High School.

The annual event is co-sponsored by Sport Cars Unlimited and the Lafayette Chamber of Commerce. Master of ceremonies will be TV's Captain Fortune.

Entrants face roughly 12 hours of driving that night with check points scattered all along their route. They will be issued maps, rules and check cards from 4 to 6:30 p.m. at Acalanes. Cars will be subject to technical inspection at that time.

Small Orinda Lots Get Adjustors' OK

Mrs. Herbert Wensloff last week won the County Board of Adjustment recommendation for approval for two lots of less than a half acre size in Orinda.

One has a 300-foot frontage on El Toyonal, and the other 320 feet on the west side of Camino del Diablo, opposite Mira Monte Road.

The adjusters denied a request by J. T. Wolfe to establish a private stable on property on the south side of La Questa Drive, south of El Rincon Road, Danville.

Sleepy Hollow Park Was Once Merely Vision

Sleepy Hollow Park was only a vision of a recreational facility when the Sleepy Hollow Recreational Association was formed a little over a half-year ago.

Now the park stands as an example of what can be accomplished on a voluntary basis to provide an unincorporated area with one of many badly needed services.

THE SWIMMING pool is complete, and the sewer, water and electrical services, fencing, decking and a number of other important items are installed.

Almost three years ago the Sleepy Hollow Improvement Association, recognizing the need for a place for children to play and for the family to spend their leisure hours together, commenced searching for a suitable piece of land. Last January the efforts of the improvement group were crowned with success when a site was located near the end of Van Tassel Lane.

Two more months of concentrated effort resulted in the successful negotiation of an agreement to purchase the land and in the formation of a new corporation, the Sleepy Hollow Recreational Association.

ON MARCH 24 200 residents of Sleepy Hollow attended a meeting at which they were informed of the agreement to purchase the land and of the proposed organization and administration for its development. That evening 60 members indicated their support by submitting membership applications even though it was May before any money could be legally accepted.

Since this date the membership has grown until it is now approaching the 350-family limit established for raising the $84,000 necessary to purchase the land and develop the project.

Sleepy Hollow Park now represents the results of unselfish effort and the donation of many hours and days of time by a large number of people.

Besides the twelve men constituting the board of directors (Ernest S. Starkman, Robert B. Dozier, George C. Hall, Harold J. Caldwell, Cecil E. Cantrill Francis A. Gillespie, R. Harold Hartsough, Ronald L. Kocher, Leo C. Lemire, Harry E. Peck, Charles J. Schuler, Miles B. Sutliffe), there have been dozens of members who have freely given their labor as well as professional skills.

Action Delayed On Tract Appeal From Flood Work

Action on Frank W. Draeger's appeal from County Planning Commission denial of improvement plans for Tract 2314 along Ivy Drive, east of Moraga Highway, was postponed Tuesday by the Board of Supervisors until December 6, 3:15 p.m.

The supervisors said they wished to visit the site and so put off action on the matter.

The Planning Commission had reported that it had denied approval because the subdivider did not comply with requirements specified by the Contra Costa County Flood Control District.

DRAEGER emphasized the costliness of the work required by the Flood Control District, and he pointed out that the creek at the tract site is not a man-made creek but a natural creek.

He stated that the slope of the land is such that if the subdivider complied with the directives of the Flood Control District, part of the creek bank would have to be cut back.

DONALD FINLAYSON of the Flood Control District outlined the steps considered necessary by the district. These are:

1. Lining the creek with concrete.
2. Installing a culvert.
3. Paving the creekbed.

Ordinary Citizen Can Become Santa Claus With Help of U.S. Post Office

The faith of children that their letters to Santa Claus will be delivered will give the Post Office Department one of its biggest problems during the coming holiday season, O. H. Fuller, regional operations manager of the Post Office Department in San Francisco, said today.

"Postal workers know that Christmas, instead of being happy, can mean broken hearts for many unfortunate children," Fuller said, "because there will be letters like the following typical examples."

DEAR SANTA CLAUS:

I am nine years old and I would like you to please send me a mama doll that crys and sleeps so please don't forget me Santa. A big mama doll. If you do send me it I would be very happy. And also a warm blanket to cover myself.

My Daddy is in the hospital because he has heart trouble and my Mommy is sick too but she is home with me and my brother Allan. I wrote last year to you and you forgot about me.

Dear Santa Claus:

We wrote you last year and year before, but you never sent us nothing. I am eight years old now. Please try to stop at my house.

Dear Santa Claus

Last year you only brought us oranges and some popcorn. Gee, Santa, that wasn't very much.

Fuller said, "The Post Office Department has a soft spot in its heart for these children. There is a special provision in the Postal Manual with respect to letters from children to Santa Claus. Such letters do not have to be stamped "Un-Deliverable — Address Unknown" and sent to the dead letter office.

POSTMASTERS ARE authorized to turn over Santa Claus letters to individuals or groups which request them for exclusively philanthropic purposes."

The regional postal official concluded, "Anyone who would like to help make Christmas 1955 a merry one for some deserving youngster can contact the local postmaster and make arrangements to receive a Santa Claus letter in accordance with Postal Manual Section 158.6j."

Acalanes Bonds Okay Urged

Stressing the argument that "the standard of education of our high school students" depends on a favorable two-thirds majority vote in the Acalanes High School District $3,250,000 bond election next Tuesday, the Parents Committee for the Bond Proposal yesterday urged "all parents in the community to turn in their 'Yes' ballot."

The bond proposal, if passed, would allow the Acalanes High School District to build classrooms over the next five years to meet mushrooming enrollments which will soar from the present 2200 students to 5200 by 1960.

HIGH SCHOOL TRUSTEES state that the money from bonds will be used to:

1. Complete Las Lomas High, Walnut Creek.
2. Complete Miramonte High, Orinda.
3. Make needed additions to Acalanes High, Lafayette.
4. Start construction on the first units of a fourth high school to relieve the pressure on the three existing schools.

Trustees say, as an example, that the additional cost of the bond proposal for a homeowner with a $20,000 market value home would be less than $4.50 a year.

See Editorial
Front Page, Second Section

IN ENCOURAGING public support of the bond proposal, parents on the Parents Commitee for the Bonds point out that failure of the bond issue to pass by the required two-thirds majority would mean overcrowding of local high schools, lowered standards of education and high school double sessions. This will particularly affect the high school education of all students now in elementary school, parent committee members state.

To date numerous community and parent groups have endorsed the High School bonds. These organizations include the Walnut Creek, Lafayette and Orinda Chambers of Commerce, Sertoma Club, American Association of University Women, Association for the Progress and Improvement of Contra Costa County, Lafayette Improvement Association, the Contra Costa Real Estate Board, Rheem Highlands Association of Orinda, Walnut Creek Kiwanis, Lafayette Junior Women's Club, the parents' clubs of Acalanes, Las Lomas and Miramonte High Schools and the PTA's and parents' clubs of all Walnut Creek, Lafayette and Orinda elementary schools.

Baby-Sitting, Rides Available

Through arrangements of the Parents Committee for the High School Bond Proposal, baby-sitting services and rides to polling places will be available Tuesday to voters who need assistance.

The services may be arranged by phoning Mrs. Larry Ervin in Walnut Creek, YE 4-2989; Mrs. Lawton Shurtleff in Lafayette, AT 3-3161, or Mrs. U. B. Smith in Orinda, CL 4-5838.

Services will be provided at any hour during the time the polls are open.

Get Out and Vote For School Bonds Tuesday

IT WAS A BIG DAY for Walnut Creek and Smiths organization when the new Smiths store opened last Friday in the Broadway Shopping Center. Mayor E. C. "Ted" Counter made it all official at the grand opening with his pair of shears and the blessing of the city council and the people of the community. Present for the ceremony were, left to right, Wark Cark, manager, Jesse Smith, vice-president, Irving W. Alkus, vice-president and merchandise manager, Mayor Counter and Harold B. Smith, president. —Sun Photo by Ted Gurney

Mothers Close Member Drive

Bright new pencils in each pupil's desk in Orinda are proof that the Orinda Mothers Club membership drive was a tremendous success again this year, said Mrs. L. Conway Smith, membership chairman. She thanked everyone for spontaneous support.

The eighth graders of Ted Boyce at Orinda School are to be especially commended for attaining 100 per cent membership the first day of the drive, she said. Other classrooms followed fast and furious and the drive was recently brought to a close, having provided funds for school activities and equipment for the ensuing year.

Assisting Mrs. Smith for the various schools were Mesdames Joseph Pardini and Laura Cooper, Orinda; Rudy Grah and Richard Leland, Sleepy Hollow; L. G. Patton and Paul Winquist, Glorietta; and Robeson Smith and Standish Massie, Del Rey.

Orindans Pledged To Lambda Chapter

Two Orinda girls were recently pledged to the Lambda chapter of Sigma Kappa on the University of California campus.

The girls are: Heidi Marie Altorfer, daughter of Mr. and Mrs. Hans Altorfer, 42 Hillcrest Drive, and Janet Elizabeth Nelson, daughter of Mr. and Mrs. Robert L. Nelson, 511 Miner Road.

Girl Scout 44

Girl Scout Troop 44 is working on badges: Pottery, good grooming and hospitality. The troop is meeting in two sections until Pine Grove School is finished.

Recently, Susan Kronke, Joanne Hall, Laraine Axelson, Karen Fernsten, Robin Brown, Susan Arighi and Lynne Harsha worked in the Girl Scout office preparing kits for the United Crusade.

Brownie 43, 261

An investiture ceremony for the new Brownie Troop 43 was held recently at the home of Mrs. Edwin M. Smith, leader.

The new Brownies who received their pins were Cecile Floyd, Kitty Winkworth, Shawna Miller, Sandy Clark, Karen Bentley, Kristin Green Susan Spungin, Robin Smith, Pamela Winquist, Leslie Abbes, Betsy Jones and Rae Jackson.

All the mothers of the new Brownies were present for the ceremony. Mrs. G. W. Bentley is co-leader of the troop.

Troop 261 invested the newcomers under the leadership of Mrs. Bruce Montgomery, leader, and Mrs. John Lawrence, co-leader. Those participating were Sharon Gates, Sarah Hanlin, Gail Kidd, Judy Kronke, Sheldon Lawrence, Cynthia Mansfield, Francesca MacIntyre, Marcia Montgomery, Nancy Peacock, Sage Sigerson, Stacy Sigerson and Kathleen Stillson.

Cub Pack 32

Cub Pack 32 met recently in the undercroft of St. Stephen's Episcopal Church under the direction of Bill Brock, cubmaster.

Last year the cubs gave some money which bought a TV set for Weimar Sanitarium, so in memory of this, Den 1 put on a skit about children in bed and their appreciation of the TV set.

Awards at the meeting went to Larry Hunn, Jeff Knudsen, John Bailey, Robert Neuhaus, John Butler, Ricky Borden, Bill Stuart, Barry Bollinger, Tom Unruh, Doug Howard, Robbie Spott, Wallace Glosser, Mark Rasmussen, Michael Shepherd, Stephen Bottjer and Richard Meyer.

Two new boys, John Simpson and Kenneth Philibosion were introduced to the pack, along with two transfers, Mike Fallentine and Ken Yaryan.

Denner stripes went to Danny DeGrassi.

Brownie 31

Brownie Troop 31, comprised of third grade girls from the Orinda Oaks and Orinda Estates areas, recently held its investiture ceremony at the home of Mrs. H. M. Sage, 101 Monte Vista. Leader of the group, Mrs. William F. Sergeant, is assisted by Mrs. Sage.

Brand new Brownies are Candice Bray, Debby Sergeant, Diane Lechtoler, Lenore Hotten, Lorrie Flenner, Linda Sage, Karen Sears, Meredith Mitchell, Pamela Fjellbo, Susan Fee and Lorna Olsen.

Brownie 313

Brownie Troop 313 held its investiture ceremony at the Scout Hut recently. Senior Girl Scouts under the leadership of Mrs. M. W. Loveland did the flag ceremony and sang several scout songs.

The new brownies entertained their mothers with the brownie play and a puppet show after which refreshments were served.

The following brownies received their pins: Jo Anne Davidson, Pat Hawkins, Judy Hauer, Larryann Long, Karolyn Odenthal, Cynthia Sax and Janice Robertson. Mrs. Jess Long is the leader of the new troop and Mrs. Karl Sax, co-leader.

The troop is planning to make Thanksgiving favors for the children at Weimar and also to collect Christmas gifts for the Weimar children.

Cub Pack 225

Den 5 conducted the opening and closing ceremonies at the recent meeting of Cub Pack 225 at Glorietta School. After the inspection, two skits were given by Dens 1 and 4 following the theme "America, the Beautiful."

Four Bobcats were ceremoniously welcomed into the pack: Scott Babcock, Phillip Nelson, Charles Palatino and Robert Wagers.

Awards went to John Weatherbe, Paul Rigor, Mark Winthers, Mike Henning, Tommy Locke, Dick Shirey, Gene Tobias, Greg Bragg, Terry Bell, Tedd Pederson, Tevis Thompson, Ronald Hudson, John Dimpfel, Raoul Yriberri, Kenny White, Dick Brown, Jack DeWitt, Scott Hallsted, John Spinola, Tom Eggertson and Gene Hopper.

A guest at the meeting was District Commissioner Edward M. Hicks, who formally presented the pack with its charter.

Cub Pack 212

Orinda Cub Scout Pack 212 met at Fellowship Hall recently with the meeting planned by Pack Committeeman R. T. Hoyer. The flag ceremony was conducted by Cub Rickey Oltmann and Den Chiefs Pat Gilmore and Richard Anderson.

Announcement was made of Den Mothers Basic Course to be conducted under the Adult Education Program by Mrs. Lopez at Fellowship Hall starting today from 1 to 3 p.m., and any mothers interested in this training are urged to enroll.

The following boys were welcomed into the pack with the traditional Bobcat ceremony: Mike Roth, Chip Monahan, David Bell, Alval Chapple, Steve Scarich, John Wilma, Charles Wilma, Tom Gilmore, Mike Stutfield, Billy Lee Roy Beckett, Tod Neuenschwander, Nicky Kleyn-Schoorel and Frank Braly.

Awards went to Rickey Oltman, Mike Gilmore, Eric Ramsing, Bob Blue, Jay Jacobus, John Cooper, Paul Rieger, John Davidson, Greg Peterson, Ted Schilling, Danny Williams, John Watkins and Roy Hoyer.

At the December 9 meeting, Jerry Kirby will be initiated into the pack.

Mr. Russell Jorgenson of American Friends Service Committee received the clothing collected by the cubs on Halloween.

Brownie 156

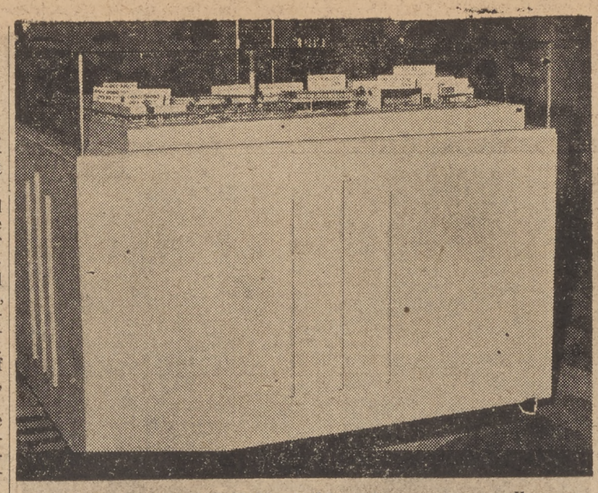
Orinda Brownie Troop 156 has started fall activities under the leadership of Mrs. Ann Swanson and Mrs. Jean Henderson. The troop celebrated its first anniversary this week by entertaining mothers at the Orinda Scout Hut.

A new member, Patricia Mortland, was invested.

Party arrangements were handled by Janet Jones, Julia Henderson, Stacy Magill, Judy Swanson and Lyn Merriam. Decorations in an autumn theme were by Kay Courtright, Sandy Lee and Maralyn Anderson.

A skit presented under Mrs. Henderson's direction included Bonnie Brooks, Patricia Mortland, Helen Johnson, Dierdre McKee, Jerry Morris and Dru Dunshee.

The girls are joining other local troops in preparing favors for the children of Weimar Sanitarium.



MINIATURE PREDICTION of things to come, as well as a symbol of some things already arrived, is this scale-model of Rheem Center, on display in the lobby of the Orinda Theater. Clark's Market is represented by the left rear unit in the model, while directly in front of it is the representation of the Center Hardware, which opened recently. At the front left corner is indicated Charles Pharmacy, while between that unit and the hardware store is shown the location of Neldham's Bakery.

Art Sponsors Course Starts

"Decorate Yourself for Christmas," the course offered sponsors of the Orinda Children's Art Center, had its first meeting Wednesday in hte playroom of Mrs. Ted Harrer, Seven Oaks Circle.

Because of Thanksgiving, the class will have its second and third meetings on Wednesday, November 30, and Friday, December 2.

The course consists of four sessions, and is under the direction of Mrs. Harry Lavagetto. Work includes beading sweaters, decorating felt skirts and making cocktail hats for the holidays.

Any sponsor interested in joining the group should call Mrs. Harrer, CL 6-8066.

A small exhibit of the children's paintings is on display for the remainder of the month at Ogden's Tween Togs, 57 Orinda Highway.

Driver Training Course to Begin

A new section in Driver Training for adults will begin Tuesday at Acalanes High School it was announced recently by A. D. Dambacher, director of Adult Education.

This course is open to all adults who wish to learn to drive under the excellent learning conditions provided by the use of dual controlled automobiles. The course consists of a series of class room lectures followed by actual driving experience in the dual controlled cars.

The course will be under the direction of Jack McLean, driver training instructor at Acalanes High School. There is a tuition fee of $10 for the course. For further information call AT 3-6262 or drop in at the Adault Office Monday through Thursday evenings, 7 to 10 p.m.

Drive for Stricken Children to Begin

Volunteer workers will ring doorbells Monday and Tuesday evenings, to aid thousands of stricken children, as the Muscular Dystrophy Association chapters conduct the annual Thanksgiving week "March of Muscular Dystrophy."

Envelopes for the fund-drive will be distributed to most homes in the area, before the "March."

But drive officials stressed that some homes may be missed during the collection hours, 6:30 p.m. to 9.

"These contributions envelopes require no postage. If you are missed in the march, please drop your contribution into any mail box or give the envelope to your mail man," MDA committeemen said.

Kids, Matches Set Grass Fire

Children playing with matches started a small grass fire at 1345 El Curtola Boulevard last Friday, but the blaze was brought under control quickly by the Lafayette Fire Department, according to Fire Marshal Bob Winkel and Chief Shirley Peakes.

On Monday, firemen answered an afternoon alarm because of an unattended brush fire at 866 Acalanes Road.

What was reported as a car fire at 11:29 p.m. Monday near the Lafayette School turned out to be just an overheated motor.

An overheated furnace motor did cause a small fire Tuesday afternoon at 3663 West Road.

A report of smoke at 6:11 p.m. at 1012 Hoedel Court turned out to be another overheated motor, this one in a clothes dryer.

Last week, the department responded to a false alarm November 8 at El Curtola Boulevard.

On November 9 the department received a report of grass burning on Old Hawthorn Road. It turned out to be controlled burning by Sacramento Northern.

Sleepy Hollow Rec Center Taking Shape

(Continued from Page 1)

THESE contributions range from legal talents suppled by John Den Dulk and Robert Walker through engineering aid given by Gene Estes, Stanley Sorem, John Rinne, Stan Majka and James Campbell among others to plain old ditch digging and pipe laying by members too numerous to be recounted. As a result the $288 contributed by each member is now worth much more than its face value.

There yet remains change rooms, canteen and wading pool to be constructed and a considerable amount of landscaping. Right now is not swimming weather but next spring the people of Sleepy Hollow who have joined to make this dream come true, as well as the members outside of Sleepy Hollow, will indeed be enjoying the fruits of their own labors.

Suit Filed as Result Of Shotgun Accident

Louis C. Dezzani of Bickerstaff Street was recently named defendant in a suit seeking $36,132 damages for eye injuries allegedly suffered in a shotgun accident which resulted in the loss of sight in one eye of his son-in-law.

John P. Matteo of Oakland claims in the suit that his father-in-law fired at a quail, but that the shot struck Matteo on a hunt near Turlock November 21, 1954.

The suit was filed with County Clerk Walter T. Paasch.

Pretty Legs

Everybody admires pretty legs. Everybody agrees that nothing enhances the beauty of legs like nylon hose. There is one drawback. Nylon is expensive. The sheer kind of nylon hose are subject to runs and snags; they don't last long. Some girls spend more for hosiery than they do for hats. Maybe it is worth it, but it is so unnecessary. Yes, it is not necessary to spend so much to keep your pretty legs in nylons. The secret is Stok-N-Last.

Stok-N-Last is used to launder nylon hose. Stok-N-Last costs less and is easier to use than other methods of washing stockings. More important, Stok-N-Last prevents runs and snags; and it makes stockings wear longer. Now, at long last, you can easily afford to keep your pretty legs in sheer, lovely nylons. You will be more comfortable, too. Stok-N-Last laundered hose are fresh and soft. You know your legs are at their best in stockings washed with Stok-N-Last. Get Stok-N-Last

Acalanes Trustees OK Memorial Plan

Acalanes High School District trustees Monday sanctioned voluntary participation of students in the state fund drive to restore the old Columbia School, Columbia, California as a memorial to the pioneer educational system of the state.

Trustees also took steps to effect an estimated $5,000 savings in the next three years by purchase of its own towels. Low bid is from Hales Wholesalers — $2,335 for 425 dozen gym-size towels.

A LOW LAUNDRY bid for cleaning the towels was accepted from Arrow Laundry of Oakland. The district had previously rented towels for physical education students use.

Trustees: Adopted a policy which would increase substitute teachers pay after the first 20 consecutive days; discussed a recommendation by Superintendent Neil M. Parsons that the Orinda, Miramonte High cafeteria be completed next fall, rather than by fall, 1957, as originally planned; and confirmed a practice teachers agreement with the University of California.

Approved was the purchase of recording and play-back equipment for the Acalanes music building.

The equipment is to be purchased through funds raised by Acalanes music department activities, a donation from the Acalanes Parents Club and money allocated by the school board.

Highway Group Will Hold Annual Meeting Monday

The annual meeting and election of officers of the Diablo Highway Improvement Federation will be held Monday evening at Acalanes High School, Room 208, at 8 o'clock, Chairman Edward M. Rowland announced yesterday.

Plans for the coming year, including activities in connection with state and county roads, will be outlined.

Rowland stressed the opportunity for residents to present any problems they may have in their area for consideration.

PROJECTS COVERING county road extensions already proposed will be reviewed and further action will be planned.

Temporary means of alleviating congestion on Mt. Diablo Boulevard between Lafayette and the Tunnel will be considered, together with plans for securing allocation of state funds for future major freeway development west of Orinda.

THE OFFICERS to be elected for the coming year will be based upon a report to be made by the nominating committee appointed at the October general meeting and will include chairman, vice-chairman, secretary - treasurer and 12 directors, all of whom represent civic councils, improvement associations and chambers of commerce in the area extending from Orinda to Concord and Danville.

Officers completing their 1955 term include Chairman Rowland, Vice-Chairman Dudley W. Thickens, Secretary-Treasurer Gorrill K. Butler and Directors Horace Breed, Chales R. Nelson, Ned de Laveaga, from Orinda; Robert McConaughy, Elliot J. Hartman and Wilfred Hallmeyer, of Lafayette; William S. Riggs and Lawrence A. Green of Walnut Creek; Charles H. Johnson of Danville, and Frank Shreve of Concord.

"Members and friends are urged to attend and represent both their community and civic groups as the federation forms its plans for its sixth year in working for betterment of state and county roads," Rowland said.

Health Office To Give Federal Polio Vaccine

The Health Department will begin giving polio vaccine at special clinics near the end of this month when the Federally appropriated vaccine is available, according to officials.

It is limited in supply and is available only for children to age 14 and pregnant women.

Polio vaccine is on hand in drug stores and is being given by physicians. The Health Department hopes that people will obtain this service from their physicians and that the Health Department clinics will be serving those who might have difficulty in obtaining it from their own doctors.

Polio vaccine will be given in Health Department clinics by appointment only. Anyone eligible and desiring the vaccination should mail the Health Department a note giving name, age, address and date of any previous polio vaccination. The Health Department will make an appointment for a clinic in a nearby area as soon as the vaccine is available. Parents must accompany their children to the clinic or the vaccine will not be given.

Booster injections can be taken any time after 7 months following the second injection. Children who had only one injection more than 7 months ago should have the two monthly injections now.

District Wins Sewer Victory

The Central Contra Costa Sanitary District has apparently emerged victorious from a dispute over construction of a 36-inch sewer main in the San Ramon Valley.

Attorney for the district John Nejedly said yesterday that Ben W. Reed, of El Pintado, who filed suit to block construction, was apparently going to desist from new legal action.

Nejedly's demurrer on the case was sustained October 31 by Judge Harold Jacoby of Superior Court.

The attorney did point out that Reed could still institute new action at any time.

Reed wanted to halt work on the line now under construction and to void action of the district in forming a 9000-acre special assessment district outside its boundaries.

Attorneys for Reed and his neighbors have argued that the sewer line will not benefit 85 per cent of the valley and that a 10-inch line would be adequate to service three Danville subdivisions which have annexed to the district.

Nejedly maintained that the residents failed to raise these issues during public hearings held before formation of the special district and that their complaint should thus be dismissed by the court.

Commuters Will Begin Member Drive Monday

The Contra Costa Commuters Association will start its 1956 membership drive Monday, according to plans formulated at the board of directors meeting held November 8 at Acalanes High School.

The need for new members is great, especially in view of the pending legal dispute regarding a proposal by Pacific Greyhound Lines to transfer its commuter operations to a subsidiary designated as Golden Gate Transit Lines, according to President George Cummings.

The association now has 699 members out of a total of approximately 1500 commuters. Vice President Doug Buffington, chairman of the membership committee, urges every commuter to join during the coming drive.

Plans for the new bus shelter at Orinda as submitted by the Orinda Chember of Commerce were approved by the board of directors. It is hoped that this bus shelter will be erected before the start of the rainy season, said Cummings.

$19,000 Partial Returns in Crusade 'Encouraging'

Campaign fever has subsided at the Diablo Valley headquarters of the United Crusade on Mt. Diablo Boulevard, but in its place is a guarded optimism expressed by General Chairman Earl Cappel.

He said Thursday that there is an "air of encouragement" among his staff members, though it is still too early to do any cheering.

RESULTS ARE coming in for the residential campaign completed in this area Tuesday, though not officially scheduled to end until next Tuesday. Returns are to scattered to evaluate.

But figures of the advance gifts and business and commerce drives, which ended nearly two weeks ago, show that more than $19,000 was collected. This is close to the goal for those groups of $24,000.

But how near the Diablo Valley workers will come to their overall goal of $37,300 will depend on the residential campaign, which is not viewed as optimistically. The $13,000 needed there is a big share of the money, all of which will eventually go into a five-county giant pot of $10,691,640.

THE NEARLY COMPLETE returns from advance gifts and business and commerce, include the following: advance gifts, $3575; district business, $4556; commerce and industry, $8851; education, $2299; public employees, $323.

Receipts so far total $19,077, subject to change as each area chairman reports in with new returns.

Submission of all money to higher echelons next week will cap a five-week old effort, which brought home to residents the need to help financially some 288 agencies for public welfare, health and guidance, more than 20 in this area alone, in "One Big Give" for 1955.

These groups, including most of the well-known organizations, will hold no other drives for funds.

JOHN AND MRS. PUBLIC were thus able to give a lump sum, rather than submitting to the bother of a hundred little solicitations, which have in the past been irksome.

More than a thousand workers here did the job in a few weeks.

Drive chairmen included Ken Jensen of Lafayette, George Eberhart of Orinda, Gordon Moynahan of Walnut Creek, Al Kaplan of Danville and Don Burke of Pleasant Hill.

County Will Act on Office District Proposal Dec. 6

Following a hearing lasting over an hour, the County Board of Supervisors on Tuesday decided to take action December 6 on an amended ordinance for establishment of administrative office districts.

Countywide in its application, the proposed ordnance — an amendment to the county zoning ordinance — would have an immediate effect on Orinda, in that it would clear the way for action on Pacific Intermountain Express Company's rezoning application for its 10½-acre Pine Grove parcel, where the company plans to erect a $750,000 office headquarters.

The December 6 supervisorial action, tentatively scheduled for 10:30 a.m., will be on a proposed ordinance which will contain a change which would permit possible retail sales, including those of pharmaceutical prescriptions, according to County Planning Director Thomas Heaton.

The amended administrative office district ordinance will be prepared by Deputy District Attorney Matthew Walker.

OPPOSITION to PIE's plan and to any other future businesses in Orinda which would not serve the immediate needs of the local populace is spearheaded by the Orinda Association through its Homeowners Committee, headed by William Penn Mott Jr.

The County Planning Commission has recommended that an administrative office district ordinance be enacted.

At Tuesday's hearing, Mrs. Ritchie Ward of Orinda, representing the Women's Planning League of Contra Costa County, said her organization felt an area of 60 acres should be set aside for any one area to be designated for administrative office district use.

WALKER COMMENTED that such a standard might be all right in some places but would be impracticable in others.

Mrs. Ward expressed opposition to "spot zoning" and stated that the Women's Planning Council believes adminstrative office districts should not be close to school areas.

(The Pine Grove upper-grade school, now nearing completion, is at the Pine Grove, and the Orinda School is a short distance north of the Pine Grove.)

HEATON REMARKED that the majority of workers at an administrative office building would start work at 8 a.m. and finish work at 5 p.m., so that their traffic would not interfere with the comings and goings of students.

Mrs. Gladys Schwatka, legal counsel for the Orinda Association, discussing restrictions involved in the proposal, asked if an administrative office district would be considered for an area that did not yet have a general plan.

Board members stated that an administratice office district might be allowed in such an area.

MRS. HELEN BOLE of Orinda disputed one argument which has been offered in favor of PIE's plans — that the PIE headquarters location at the Pine Grove would mean a sizeable tax contribution for the community.

She contended that tax contributions from the company would not pay for necessary educational costs for children of families that would move into the area.

SPEAKING IN FAVOR of the administrative office district ordinance were John Charles Houlihan of Oakland, attorney for PIE; Harold F. Wise of Palo Alto, planning consultant retained by PIE; H. P. Newman, executive vice-president of the Association for the Progress and Improvement of Contra Costa County, and Ed Rowland.

Rowland, who is president of the Planning League of Contra Costa County, stated he was "speaking as an individual."

"People are moving to this county regardless," he said. "There are many natural boundaries in the county, so it's unnecessary to settle on the size of an administrative office district."

HOULIHAN said that provision for administrative office districts would be a "forward step."

Wise cited administrative office arrangements at Menlo Park, where Sunset Magazine has its well-known attractive headquarters.

IN REPLY to objections by Dr. William A. Elsasser of Richmond, president of the Contra Costa County Dental Society, to the administrative office districts proposal.

Suburbia Scribblings

Las Vegas atmosphere proves very arty

DAUBED IN ON THE SOCIAL PALETTE for Vally Art Center members and their guests, a Very Arty Party held last Saturday night at the fascinating home of the Cedric WRIGHTS in Lafayette.

In a Las Vegas atmosphere, amid vingt-et-un, chemin de fer, blackjack and roulette, the afficionados of art took time out, mixing a little business w/their pleasures, to elect Mike CZAJA Professor of Architecture at UC and quite a painter in his own right, as their new President . . . Mr. Czaja in a Daliesque-type costume, wearing two pairs of glasses (the better to see you with, my dear?) and hand-decorated knees painted w/the curleques and oddimenta so peculiar to Dali.

The house was a winner! The Wright home, designed by Roger Lee who was there too, a spacious combination of warm woods, stone, and gleaming glass . . . Chuck wagon dinner served in the main house, while a photo exhibit on display in the six-sided, two-storied, glass-enclosed studio attracted many down the stone stairs below the house.

A shady dealer . . . In a red vest borrowed from Spencer Kendall, Gordon Ainsworth under a green eyeshade, arm-garters, and a black string tie. The SASSONES, Mary and Arthur, a frontier couple. The De GRASSIS Helen as "Le Rouge Et La Noir" highlighting her costume w/playing card ACES, Al in a black derby, checkered shirt, string tie.

The house was loaded . . . Dance hall girls, croupiers, sirens in abundance . . . The Charles GIBSES, heads above everyone else in the crowd, Helen right out of Toulouse-Lautrec in black velvetteen pants w/a pouf of ostrich feathers encircling the waist, a coral ostrich plume on her big black hat! Sounds very modern-artish, but a pair of knee-length eyelashes were seen conversing w/Harriet Ainsworth. The Fred UDALLS, Irene and Bill WILKINSON, Fred and Jean VON GUENTHERS in the crowd.

'Polynesian Nights' hung with fishnets

MORE PARTIES . . . To a backdrop of palm leaves, fishnets, laden with flowers, and brilliant travel posters, Junior Alliance members and guests danced and dined at the "Polynesian Nights" affair staged at the Sequoyah Country Club a week ago last Saturday night.

Sharing a table, the Jack GRANTS Ken and Jo MIROV, John MORTAROTTIS, the Brooks GARDNERS . . . The Gardners were hosts to a coterie for cocktails aforehand, which besides those aforementioned, included Pat and Warren HAGSTROM and Ralph and Janet WIRTH.

Applauding the hula dancers and hawaiian orchestrations, the R. E. PALTENGHIS, Bill and Melba BRAY, the Carl MEURKS, Barbara and Phillip OYER, Ted and Dede SAWYER . . . Fran and Kay WASON, newcomers to Meadow View Drive were there, as well as Dr. and Mrs. Glen Heltne of Lafayette . . Matson Line obliging w/beautiful flowered leis and menus to match the motif of the evening.

EVEN PROVIDENCE PROVIDED A PARTY . . . quite literally, too, for the San Miguel Branch of Providence Hospital Guild when last minute circumstances necessitated an 11th hour change in place for their benefit 7-9 party. Providence came through all righ, and after much telephonitis by each member, the Sat. night party brought many Bay Arans out our way to the Carroll Ranch for the short and sweet gathering designed to whet the appetite thereby aiding the hospital's clinic.

Late show brings about bay crossing

In front of th blazing fire, the Len Morrows happy-talking w/Bernice and Tom STACK both couples joining a Willows dinner party later . . . Barbara and Jack HORNUNG, Bob and Pat OMO . . . Branch members Virginia KROMER and husband Bob in a party of friends w/Faye and Bud HEISTER of Orinda, the James UPPS and the Earl Vorrheeses all crossing the bay for the late show at the "hungry i" afterwards.

A real New England Thanksgiving for the Joe CREIGHTONS who left recently for Connecticut. Jackie MEURK honoring Peg w/a luncheon party just prior to departure. Each guest writing an afft. note to Peg which Jackie ingeniously strung together to be read later by Peg in her new Hartford home.

WINDOW-STOPPER FOR A Window-Shopper . . . The Big E's left window, a veritable Fairyland, San Francisco in miniature replica . . . The hills and the heart of SF's buildings fashioned of silvery blue, and pink papers, hundreds of tiny lights aglow from as many tiny windows. The Civic Center, Top o' the Mark, Fisherman's Wharf, an old-fashioned pocket watch forming the clock on the face of the Ferry Building, toy cars passing over the bay bridge and miniature cable cars climbing Nob Hill. It's all there in perfectly enchanting design, and a must-see on your annual Xmas pilgrimage to the city across the Bay.

Breakfast Meet Adds 17 Members To Jaycee Ranks

Seventeen new members joined the Lafayette-Orinda Junior Chamber of Commerce as the result of the organization's Prospective Members Breakfast last Saturday at El Nido, Lafayette.

Main speaker was Philip Knox Jr. of Walnut Creek, immediate past president of the California State Junior Chamber of Commerce, who talked on "The Place of the Young Man in His Community."

Assemblyman Donald Doyle told the gathering how his former membership in the Junior Chamber in San Diego had helped prepare him for his present duties.

OTHER HONORED guests were Mel Arighi, a director of the Orinda Association; Theron Nelson, vice-president of the Lafayette Community Center; Ramsay Underwood of the Orinda Chamber of Commerce, and Herman Silverman, publisher of The Sun.

The honored guests were introduced by George Yorg, president of the Lafayette-Orinda Junior Chamber of Commerce. The evening's program had started when Membership Chairman Robert Hickey called the meeting to order.

THE 17 NEW members were welcomed at the regular dinner meeting of the Lafayette-Orinda junior chamber Monday night, at El Nido. They are:

Dr. William R. Smith, Edward W. Friby, Cameron F. Ashby, John Burgess, Clarke Coldren, Robert Coury, James C. Herrick, William Kinney, John MacMillan and James Simonos of Lafayette; Frank H. Frazer, Donald A. Weeks, Horton C. Hill and Jack Martin Jr. of Orinda, and John Winchester, Thomas Gray and Charles W. Kenzler Jr. of Walnut Creek.

AT MONDAY NIGHT'S meeting President Yorg announced that the Lafayette-Orinda "Jaycee" organization will conduct a safety flare sale on Saturday, November 26, with proceeds going to the Lafayette Community Center.

There will be two sales locations, Yorg said—one in Orinda and one in Lafayette.

Yorg also called attention to the local Jaycees' plan for participation in activities in connection with Safe Driving Day, December 1.

Throughout the state, junior chambers form the "action committee" for the California Safety Council, in publicizing California observance of the nationwide Safe Driving Day, Yorg stated.

JUDY WINS

The Girls' League magazine sale really ended up with a bang. First place in sales went to Judy Myer who sold over $150 worth of magazine subscriptions, and won a lovely clock radio due to her terrific salesmanship.

Following close behind her were Stephanie Jensen, who won a watch, and Ann Shuey, whose prize was a portable radio. The money earned through this sale will be used for Girls' League activities.

Recent club activities around Acalanes include election of officers at the CSF meeting. Those chosen to lead this group for the coming year are: Kent Grigg, president; Butch de Villers, vice-president; Norma Waddell, secretary; Phyllis Dail, treasurer; and Mike Davis, sergeant-at-arms.

FOILS IN GYM

Great activity has been noticed in the gym these recent noon hours, and investigation proves it to be due to members of our brand new Amateur Fencing League, who are preparing for their beginners tournament which will be held soon. The president of this group of swordsmen is Bill DuVall and sponsors are Mr. Keith Woodell and Miss Florence Bassignan.

Our Junior Statesmen are looking forward to a big time, the opportunity of hearing Governor Knight speak at the State Convention in November. This convention will be televised on "Success Story," and our own Russell Mjolsnes is to be acting chairman.

Membership in this group has been growing at a terrific pace. It has been reported that there has been an increase of one-third over last year.

HIGH SPIRIT

Our last game of the year, against the Pittsburg Pirates, was a loss on the scoreboard, but we feel we put up a good fight, and team and school spirit was at its highest. There were many before and after-game dinners and parties.

One we can personally say was a terrific bang. It was held at the home of Ed and Russel Mjolsnes in Orinda. A super buffet-style dinner was served before the game and all the gals received lovely white chrysanthemum corsages with a blue "A" in the center.

The entire group then attended the game, returning afterward for dancing. Among those having a blast at this affair were: Nancy Herrmann and Allen Cooper; Diane Busch and Frank Normand, Marilyn Rauch and Ed Mjolsnes; Ann Shuey and Bob Blake; Sandy Lien and Russell Mjolsnes; Karen Hillyard and Richard Normand.

Go to Church Sunday

Community

Thanksgiving will be observed at the Lafayette Community Church this Sunday. The Rev. Chester R. Lewis will speak at both the 9:30 and the 11 a.m. services, using as his subject "We Thank Thee, Oh Lord."

The Youth Choir, under the direction of Eloise Birch, will present special music at the 9:30 service. The Adult Choir will sing Maunder's "Praise Ye The Lord," a Thanksgiving anthem, with Roberta Dalette as soloist. George Shoptaugh is director of the choir.

Sunday school is at both 9:30 and 11.

The MYF and Wesley Youth Fellowships will meet at 7 p.m. at the church.

The commission on membership and evangelism will meet Monday at 7:30 p.m. in the church lounge.

Mrs. Menker of the Methodist Missionary field will be the speaker at the third of a series of Sunday evening meetings being held from 7 to 8:30.

Episcopal

One of the world's foremost authorities on Anglican ritual will conduct the Thanksgiving Holy Communion service at 9:30 a.m. in St. Stephen's Episcopal Church on Via Las Cruces in the Charles Hill area of Orinda.

Dr. Massey H. Shepherd Jr., Professor of Liturgics at the Church Divinity School of the Pacific, will be guest priest on Thanksgiving morning.

Author of numerous religious works, among them "The Oxford American Prayer Book Commentary" and "Environmental Factors in Christian History," Dr. Shepherd is a former president of the American Society of Church History and a member of the Standing Liturgical Commission. He conducted classes during the past summer while traveling through parts of Japan, China and the Philippines.

Dr. William Z-Liang Sung will again conduct the three Sunday services at 8, 9:30 and 11 a.m. Dr. Sung is a graduate of St. John's University at Shanghai, and received degrees at Columbia University, the Church Divinity School of the Pacific and the University of California.

Lutheran

"Born to a Living Hope," will be the subject of the sermon by Pastor Merle Tollefson, of Our Savior's Lutheran Church, 1035 Carol Lane, Lafayette, Sunday. There will be two worship services, 8:15 and 11 a.m. Sunday school will be at 9:30 for grades four through high school and adult Bible class, 11 for preschool through third grade.

Monday at 8 p.m. the adult inquiry class will meet to discuss "Living the Christian Life." This is a class that is open to anyone who is interested in knowing more about the teachings of the church. Wednesday at 8 p.m. the midweek Bible study will meet at the home of the Val Wittes on Val's Lane.

Thanksgiving at 10 a.m. there will be a special festival service at Our Savior's with the theme, "A Good American Custom."

The Junior Confirmation Class will meet Saturday morning at 10 a.m. Sunday at 7 p.m., Pastor Cyril Lucas, of St. Phillips Lutheran Church in Oakland, will speak to the Hi Leaguers on the subject of racial prejudice. All girls and boys of high school age are cordially invited to attend this fellowship.

Community

Once again the fresh young voices of the Junior Choir will be heard when they sing an old Welsh tune "Let all things now living" during the 11 a.m. service Sunday at the Orinda Community Church.

Some 50 young people will join in singing this arrangement by their director, Miss Sara Sabelman. Their accompanist is Mrs. Lucile Fahay, alternate organist, who will also play "Song of Thanksgiving" by Bailey, "We Ask the Lord's Blessing" by McKay and West's "Postlude in B Flat."

In his sermon, "Thanks Be to God," Rev. Willis E. Wygant Jr. will bring out the Christian principle of giving thanks to God for what he has given us to do as well as for the things we have received.

"Cause for Thanksgiving" is the sermon topic chosen by the Rev. Carl Thomas of the Orinda-Lafayette Presbyterian Church for the joint Thanksgiving Day service to be held in the chapel of the Orinda Community Church at 10 a.m. Thursday when these two congregations will meet together for this traditional service.

Music for the service is to be provided by both churches. The old Netherlands hymn "We gather together" is the musical offering to be sung by the Women's Ensemble of the Presbyterian Church.

The Community Church Mixed Quartet is singing Handel's anthem "Thanks Be to God." The memorial organ will be played by Mrs. Lucile Fahay who has selected Mueller's choral prelude "Thank we all our God," McKay's "Hymn of Thanksgiving" and "Grand Choeur in F" by Salome.

Episcopal

On this Sunday before Advent, Holy Communion will be celebrated at 8 and 9 a.m. at St. Paul's Church, Walnut Creek. There will be a service of morning prayer at 11, with sermon on 'Christian Stewardship" by the rector, the Rev. Wilfred Hodgkin.

Church School classes will meet at 9 (pre-school through grade 8) and 11 (pre-school through grade 4).

On Thanksgiving Day, Holy Communion will be celebrated at 8 and 10, with sermon and full choir at the latter service.

Because of the Thanksgiving holiday, the Senior Choir will rehearse on Tuesday night, rather than Thursday.

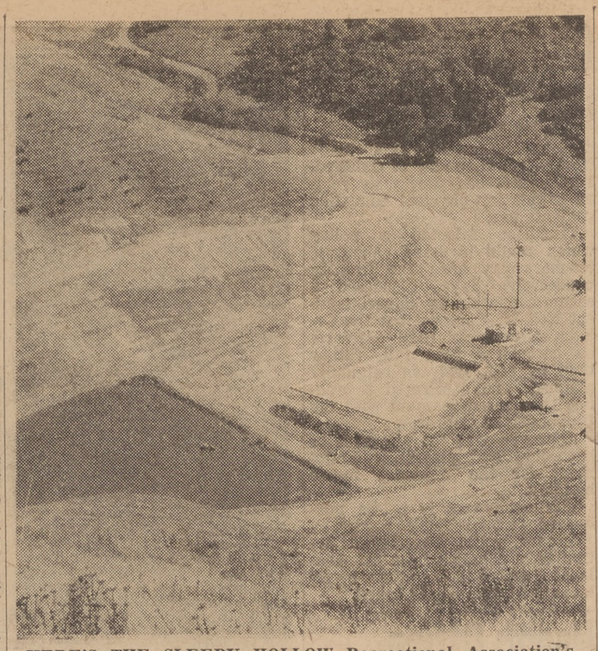
Lutheran

The Shepherd of the Valley Lutheran Church in Orinda celebrates its Second Anniversary as Loyalty Sunday. Mr. Edward R. Andersen, pastor of the church, will speak on the topic "The Joy of Loyalty Giving."

Members who attend the 8 or 11 o'clock worship services or the Sunday School service and adult class at 9:30 will be asked to indicate their 1956 projected giving on a card which will be placed on the altar and dedicated to God. Members who are unable to attend will be visited at their homes in the afternoon.

A Thanksgiving Service will be held Thanksgiving morning at 9:30 with a sermon by the pastor entitled "Sowing and Reaping." On December 4, Mr. Eugene Vandewater, student at Pacific Lutheran Seminary, will begin his field work in the congregation.

A Special Congregational Meeting has been called by the Church Council for Tuesday, November 29, at 8 o'clock. "The state of the church" will be the special topic of discussion for this meeting. Dr. Carl V. Tambert, president of the Evangelical Lutheran Synod of the Pacific Southwest, will be present.



HERE'S THE SLEEPY HOLLOW Recreational Association's facilities at the end of Van Tassel Lane, Orinda, as they appear now, with official opening of the pool scheduled for next May. The swimming pool is at the center. At the left is the play area. To the right of the far end of the pool is the filter and pumping plant. The parking area is at the upper center.

Presbyterian

"Beggars in the King's Palace," fourth in the series on Our Great Salvation, will be the subject of the sermon by the Rev. W. Carl Thomas, pastor of the Lafayette-Orinda Presbyterian Church on Sunday at the Park Theater.

There will be duplicate services at 9:30 and 11 a.m. The nursery for infants up to two years is at the home of Mrs. Ellen Brians, 1030 Brown Avenue, Lafayette. This nursery is for 9:30 service only.

Sunday School classes are held at the Lafayette Town Hall for two year olds and older at 9:30 a.m.

Each Tuesday morning at 10 a.m. the Women's Association of the church is presenting a series of Bible lessons under the leadership of the pastor. This class is conducted at the Lafayette Town Hall, Moraga Road and School Street, and is open to all women of the area.

The Acalanes area potluck will be held on tomorrow evening at 7 at the home of Mr. and Mrs. Martin Lewis, 897 Acalanes Road, Lafayette.

3 Girls Compete for 'Citizenship' Award

Three Acalanes senior girls have been chosen by their fellow-students to compete for the "Good Citizenship Award" presented by the California Society, Daughters of the American Revolution. The three students are Faye Cady, Judy Olson and Elizabeth Rogers.

The girls were elected by Acalanes senior girls on the basis of dependability, leadership and patriotism.

The girl selected for the award will receive a certificate of award and a pin and enter district competition for district award of a government bond.

District winners then compete for state honors and a $100 bond.

A Dome Car with two decks— and every seat "under glass"

"Sky-wide and handsome" is what you'll say about Southern Pacific's unique new Dome Lounge Car, when you first step inside. It's built on two levels, or terraces, but is open to the heavens from stem to stern. (Incidentally, we've also put in extra capacity air conditioning, and lightly tinted glass, so that it's always pleasant inside, no matter what the weather outside.)

One third of the car is a high-ceiling cocktail lounge, while up a short flight of steps is a terrace deck with many more comfortable seats for enjoying refreshments and unparalleled views of the scenery.

A ride in one of these new Dome Cars is like a ride in a convertible with the top down—but without the wind.

You'll find a new Dome Lounge Car on the *San Joaquin Daylight* between Los Angeles and San Francisco via the Valley Route, the *Shasta Daylight* between San Francisco and Portland, and between San Francisco and Ogden on the *Overland*.

We invite you to try one soon—and we hope you'll find it an indication that, for both passenger and freight, we are trying to do a modern, progressive job of railroading.

Nursery Dads Work on School

Orinda Nursery School dads changed the appearance of the school's quarters at the Orinda Community Church November 10.

The annual pre-Veterans Day celebration, otherwise known as "fathers work night," saw a swarm of nursery school mothers and dads attack the various painting and repainring projects with energy and enthusiasm.

"We painted everything but each other," one veteran of former work nights declared as he took a sponge bath in a can of thinner.

While painting was the feature event of the evening, other projects were also underway. Initial steps were taken for the building of new shed for wheel toys while others put shutters and appropriate trimmings on the play house.

Directing the work party was Mrs. D. S. Manuel, maintenance chairman. Her assistants were Mesdames and Messrs. Roger Olsen, Harry Larsen, Robert Brorsen, Kenneth Mirov and R. L. Klemmedson.

The evening began with a pot-luck supper served at the Community Church. Assembled workers were greeted by Mrs. W. F. Estes, nursery school president, and Mrs. W. A. Patterson, director. Mrs. William Brobeck was assisted in making arrangements for the supper by Mesdames and Messrs. A. W. Clement, Forest Hill, Robert Milligan, Harl Tyler, Fenn Wilson, Duncan Campbell, Vernon Louis and Robert Williams.

Vote Next Tuesday For a 5-Year Need!

There are many facts which point to the urgent necessity for passage of the proposed $3,250,000 bond issue for the Acalanes High School District next Tuesday. But perhaps the most dramatic one is this:

By 1960 — only five years from now — high school enrollment in the Acalanes District will be considerably more than double the present 2200 students.

Basing their estimates primarily on the number of children now in elementary school, Acalanes District trustees anticipate some 5200 high school students in the district by 1960 — an increase of 3000 over the present number!

So the danger that double sessions will be necessary in high school for many students now in grammar school, if the bond proposal fails to pass, is very real. And, as in all bond elections, a simple majority is not enough — a two-thirds affirmative vote is required for passage.

The Sun urges an overwhelming "Yes" vote on the bond proposal, so that the bond money can be used over the next five years for these purposes, as announced by the district board:

1. Completion of Las Lomas High School in Walnut Creek.
2. Completion of Miramonte High School in Orinda.
3. Addition of needed units at Acalanes High School in Lafayette.
4. Start of construction of a fourth high school in the Acalanes District.

If the proposal passes, it should provide sufficient construction funds for the next five years. And it's more efficient and economical to vote for a five-year program than to have separate bond elections at more frequent intervals.

A natural question asked by property owners is, "How will this bond issue affect the tax rate?"

The answer is: Very slightly. For example — a resident who owns a home with a $20,000 current market value would pay an additional tax of only $4.38 per year, according to the Parents Committee for the High School Bond Proposal.

On the other hand, if the bond proposal fails to pass and the district board decides to obtain construction funds from current income, the board could raise the tax rate from the present $1.26 per $100 assessed valuation to the limit of $1.75.

But even under such an arrangement, the "pay-as-you-go" program would fall far short of providing the funds needs for construction.

It is up to us to see that those requirements are met. By piling up a big vote next Tuesday in favor of the proposed $3,250,000 bond issue for the Acalanes High School District, we will be acting in our own self-interest and especially in the interest of our children.

Let's make our area's educational facilities harmonious with the general beauty and progress of Central Contra Costa County. Vote "Yes" on the bond proposal!

What They Say

Redskins Gone, But Cars Here

Although supermarkets have eased the problem of food supply since the Pilgrim Fathers time, today's highway traffic is killing off people a heap faster than the Indians used to.

Life is now easier in many ways, but certainly not in all. People still have many things to be grateful for when Thanksgiving Day rolls around.

OUR RESEARCHERS decided to ask a group of peiple just what they were especially thankful for this year, seeing as Thanksgiving Day is next Thursday.

Mrs. A. Matthews, 3141 Stanley Boulevard, Lafayette, replied "I am especially thankful that I am able to maintain my home and children, and that we have all enjoyed good health. These are the most important things for which to be grateful."

"This year, I'm extremely thankful that I'm in California," said New Jerseyite Mrs. Dorothy Juhas, who is living at 15 El Toyonal, Orinda, with her husband and two children.

MRS. LLOYD C. MASON, 648 Los Palos Drive, Lafayette, said, "For my health and happiness; it's a wonderful world to live in."

"For my family and friends and the opportunity to live and raise my family in a democratic environment," said Mrs. Thomas L. Fitch, 3 Vista Del Moraga, Orinda.

IF THERE IS ANY PROOF needed that most people have something to be thankful for, it was at the Walnut Creek Shopping Center Friday night, when several new stores opened, according to Jack Dickson of 250 Lakewood Road, Walnut Creek.

A lot of people not just looking but also spending means that times are "good," he exclaimed.

There are some, but not nearly as many "very hungry people" as in past years, so we can all be thankful," is Dickson's view.

A gathering of friends and relatives at Thanksgiving Day, and seven-month-old Carol Ann are Mr. and Mrs. Harold Markle's reasons for being happy.

The Markles, who live at 218 Babbette Court, Pleasant Hill jokingly say they are "saving a drumstick" for the new arrival. She'll probably settle for less!

A prime reason for good-feeling and hopefulness is the apparent recovery of President Dwight Eisenhower, declares A. A. Nickel of 2670 Cherry Lane, Walnut Creek.

A MOTHER'S SURE hand at cookery is a just cause for thankfulness on November 24, says Mrs. William Bycott of 314 Soule Avenue, Pleasant Hill.

That day, her family, increased by seven-month-old Barbara Lee, will visit the home of Mrs. Boycott's mother, Mrs. C. M. Stevenson of Oakland.

Mother will do most of the work, and daughter will "help out a little," as in the tradition of past Thanksgiving Days.

Attorney to Talk At Mart Meeting

Adrian Thiel, real estate attorney, will speak on "Land Acquisition and Development by the Operative Builder" at the meeting of the Contra Costa Real Estate Board, Monday morning at El Nido.

At a general membership meeting last Monday the Realtor's pledge was given several broker members, under the direction of Bill Anderson. A Realtor Pledge form as given each new member.

APPLICATIONS for membership were also received from C. F. Rayment, George Nowak, Edna Jensen and Wells Kidder, all of Walnut Creek.

The Mart will hold an annual Christmas party December 15 at the Diablo Country Club.

A meeting of past presidents was held Tuesday at the Danville Hotel.

High points for the fourth quarter are held by Bill Transchel with 2200.

ANDERSON, a past president of the Mart, was recently honored for outstanding achievement by the National Institute of Realty Brokers.

Discussion has been held on locating in a new mart office building. The present location is at 1607 Locust Street.

Letters to The Editor

Dear Editor:

I have before me your edition of November 10 of the current year and was filled with a mixture of amusement and irritation at the leading picture therein anent the rabies scare. (I have lived through a hundred of them and have yet to know of anyone, in the section in which I lived, dying of rabies.)

I was amused at the inference of the ball and chain and irritated at the cat being in the picture without a like adornment. Certainly cats have far better chances of being bit by rabid SKUNKS, weasels, rats, mice and chipmunks than any dog could possibly have, so why not immunize the cats, pet rats, coons and monkeys along with the lonesome dog?

Having been born in the lumberwoods of Michigan and raised in the mountains and on the plains of Idaho, it has been my lot to see more rabid animals than generally are encountered by city people, which perhaps give rise to the dismay with which I view the consternation engendered among our learned officials by the report that a small girl was bitten by a rabid skunk. Of all things. A SKUNK.

I assure you that if I were intending a tall one about rabies (and I can recite some hair-raisers) I certainly would never pick on a skunk. Not that a skunk couldn't go mad. Anything can go mad in California. Witness the officials.

Now I have had a lot to do with skunks during my nearly 70 years on this sphere, and while I do not say that a skunk would not bite, my most poignant encounters have invariably been with the opposite pole. I hope someone has checked on that story. Both as to the child being bitten and as to the presence of hydrophobia germs in the body of the skunk. Otherwist why all the furor?

I am moved to this epistle by the fact that I have seen rabid ground squirrels, coyotes dogs, cats, a cow, and on one occasion got a major scare out of the antics of the major domo (foreman to you) of a cow ranch who found himself occupying a spot of shade with a rather well-developed rattler, but never have I seen such a kiyi raised over a skunk even when he had done his durndest.

I once saw a cow, as I previously stated, which was later proven by laboratory inspection of the head to have rabies, staggering down the trail, but mistaking her trouble for overindulgence in locoweed I paid no other attention than to call off my dog, who seemed to think she was dangerous (which she was) and reporting the occurrence to her brand owners, who went out and found and shot her.

I have often wondered whether (had I not called off my dog), she would have finally contrived to bite him. Wouldn's that be sumpin'? All samee man bite dog. Astounding? Yes, but not any more so to me than to see the tizzy started by our county officials over a skunk biting a girl.

Sheriff Brown is offered more than $125,000 to look the other way

"I was offered $75,000 plus $1,000 a month to allow one gambling house to operate in the county," Sheriff Harry A. Brown revealed Tuesday night.

During a three-hour discussion with this writer, Brown said this was one of the offers he has received since becoming sheriff last January. The second largest deal was an indirect offer of $50,000—if he would run out the small, pin-ball game operators and turn the county over to one large outfit.

Brown declared he has given the same answer to every deal—"No."

"I've even had some of my campaign supporters come in and ask me to look the other way so they could run illegal enterprises. The answer is the same to them as any one else. I have lost some supporters by this policy but I'm certain I'll enlist additional supporters elsewhere."

He asks your help

"There is no gambling or vice in the county today and there won't be any if I learn of it," Brown emphasized. "If you or any one hears or sees any gambling, please let me know immediately."

Asked about illegal, multiple-play, pin ball games, the sheriff replied that he knows of none operating in the unincorporated areas of the county. He listed pin ball raids on establishments starting almost a year ago and ending with recent raids— in Lafayette, Brentwood, Clayton Valley, El Sobrante and Richmond areas outside the city.

What about the machines that were running 10 days ago?

"They are not operating now and I have ordered each patrolman responsible to see his beat is kept clear," the Alamo resident said.

"I want to see pin ball machines outlawed by county ordinance. Some of our cities did this long ago. There are difficulties keeping pin ball machines out and the best way to do this is to ban them all. It isn't easy to keep them out otherwise."

Some free advice . . .

I suggested that if the operators know the sheriff will confiscate and then destroy each pin ball machine, there probably will be no pin ball problem. He was told The Sun will send him and then publish the names of any establishments with illegal machines—as the paper learns of them.

I asked about the letter Brown received from George Newell. Newell returned his honorary deputy's card and accused the sheriff of not enforcing the law and betraying his supporters. (Only two papers have reported this letter—The Richmond Independent and The Sun in this column last week.)

Most of the material in this interview resulted from a discussion of Newell's letter and a few rumors about the sheriff. Newell from Richmond was one of Brown's key supporters in the election.

Brown declared he was elected by thousands of voters and, as sheriff, it is his duty to represent all the people in the county and not just a few.

"I am the sheriff and I have not and will not take orders from anyone."

Brown re-affirms a pledge

"I am doing an honest job and a good job. I will never do anything to make my wife and seven kids or my supporters ashamed of me."

"A sheriff in this county can become independently wealthy in just one year," Brown bluntly stated. "This I will never do."

"I am living on my salary, which I said I would do. This is not easy as there are lots of additional expenses as a public official that I hadn't figured on."

The sheriff said he has just borrowed money to paint his house and he is paying off a new car. He added that he has not yet been able to pay George Newell the funds advanced during the campaign but he certainly intends to do so.

Brown disclosed that so far he has turned over to the county about $7,000 which he is legally entitled to keep as part of his sheriff's fees. He is the first sheriff in this county to do so. Other sheriffs in non-chartered counties currently keep these funds, as allowed by state law.

Brown said he has learned a lot since January.

School of hard knocks

"I have learned not to knock my head against a stone wall in trying to get things done. Martinez has taught me a lot. I am going slower."

He added there are many things yet to be changed in his department. He emphasized the need for a new prison farm, which could be completely self-supporting and even raise food for the county hospital and juvenile home.

The water at the present farm is contaminated, he said, and it costs the county $60 a day to bring in water. Prisoners carry water to their barracks from the tank in tin cans and guards bring water in thermos jugs from their homes. Farm facilities are inadequate and the county should be ashamed of it.

Brown stated he is trying to get the county to act on this and other problems.

Letters to The Editor

Dear Editor:

How nice that Orinda's Chamber of Commerce is suggesting our fair city we do a little face washing. Undoubtedly everyone has noticed that the gutters and sidewalks are cluttered to the curb tops with trash.

If it rains befor they are cleaned we might drown in our own litter for surely the drains will strangle to death if the mess is washed down them.

The lovely stone wall around the golf course in the Village is hidden beneath debris, the Community property and school property is littered with everything from tin cans to lunch bags and the crossroads is buried under rubbish that should be in those bent and battered trash cans.

If we can't afford a mechanical street sweeper, let's "do it ourselves" the hard way. Maybe the budget could be inspired to include an array of more attractive refuse containers if we citizens show that we will use them instead of the sidewalks.

Let's get that old community spirit along with the Holiday spirit and polish Orinda up for Christmas.

About Our Happy Country Folks

By EDITH BOLMAN

Magazines force masculine manifestations

The gents foregathered in the doctor's reception room. The magazines were all woman stuff — Vogue and House Beautiful — so after their names were given to the receptionist, and their cards placed on the desk in the order of call, they sat around glowering, manifesting their masculinity in various ways to impress anyone who happened to be around at the time that they were not afraid.

Gent No. 1, a powerfully built Nordic type, quivered and shook so that the chain around his neck clanked nervously against the metal chair—Toby adored Collie member of the Lew Doty family of Orinda. His friend, a liver colored Spanielish gent belonging to the Robert Manloves, boosted his morale by barking noisily at nothing whatsoever.

The receptionist, meanwhile, was attending the constantly ringing phone with "Yes, rabies vaccine will be $3." Then in WE walks, big as life and twice as sassy because our distemper shots were so remote as to be forgotten.

WE looked on the whole thing as a social event. Ah yes— there was a lovely brunette gent—also with the shakes but being commiserated by Mrs. Paul Hein of Los Palos Drive in Lafayette (had to get that in because Mr. Newspaper is heckling us again for more Lafayette and Walnut Creek news which involves a whole new spy system and believe you me Walnut Creek spies are hard to come by.

Anyway we arranged our ears at a jaunty angle, and made a lunge for said brunette who was a large British cocker type (we happen to be the smaller American wiggly breed)—and Boy oh Boy was he British—we bit his tail, sniffed his ears, nuzzled and nudged him all over but there he sat like Rodin's Thinker, quaking like an aspen but dignified to the end.

Yep—Boever's Animal Hospital did a land office business on Thursday last when The Sun came out with news and advice on rabies.

Could be a violation of our copyright

And speaking of Mr. Newspaper, we have harbored the belief that the English language was an instrument created solely for our personal misue—along with certain catchy phrases we have copied from other people and now assume to be exclusively ours.

So fancy our astonishment last week when our customary ending, "That is all," evidently didn't know where to land because we had sent in a column, and so connived with that blameless receiver of all blame, Mr. Typesetter, and lit—guess where—at the end of Snoopy's column. We are traveling in pretty fast company, eh what ?

Seen on the piazza of the Claremont Country Club November 8—guest day—from our side of the tunnel—the Mesdames Dwight Skaggs, James Sharp, Arthur Somers, Victor Cranston, Ned Kinney Edgar Stewart, Norman Rolermunde, George Parker, R. C. Diehl and Alfred Tanner (how did she get in here?—she is from Piedmont—oh we know—she is sister of James Freeman who has just bought a new home in Happy Valley and that is as good a way to get Lafayette news as any.)

Meeting recently at the Alamo home of Mrs. Alois Kremser for the sustaining members of Walnut Branch of the Children's Hospital—Mesdames Edward Counter, Carlton Hawes, E. Camp, John Irving, John Cooley, C. E. Peters, Eva Stewart, Roy Hefner and Alan Jones.

Poor Mrs. Bodfish caught a horse in her lap! Margaret was riding her new pet when he slipped, tumbled and now Margaret has a cast from hip to ankle.

Grandmother Goodwin (Mrs. Fred—well, let's let Mr. Fred in on this too) is mighty pleased over second girl child, Lorrie, babe of Bob and Kay Falge.

Booming announcer hampers teeing off

Golf ladies really hooted it up at recent Diablo electric tournament. Just fancy two full days of golf, topped off by a show and lunchen put on by Jay Beelsworth, and an announcer on the first tee who boomed right out loud that "Mrs. So and So from such and such is teeing off" thereby scaring the wits out of the following Mesdames:

Richard Murphy, Joseph Down, Ted Becket, Fred Frederighi, Henry Donovan William Keeting, Kenneth Brown, Allen Ayres, Arthur Somers, George Parker, George Schank and Carelton Rank.

Too bad: Mr. and Mrs. Ward Madiera have moved to New Jersey, the Donald Salisburys to Seattle, the Henry Donovans have reutrned from the East, the William Vaughans are planning a trip to the Carribean and the Edward Counters are planning to spend Christmas and New Years on a boat headed for the Orient.

The Herbert Dwights are moving to Portland, Oregon, and the Stanley Fridens are moving to Diablo. Mrs. Victor Bergeron is visiting in Albuquerque after working like a beaver on the Tour De Decor which was such a thrill for so many. The Robert Kitzmillers are moving to Pittsburg, which will be quite a change from Orinda. However, they have lived there before.

That is all.

Area Seniors Tour College

Mills College last Friday afternoon was the locale of a tour of prospective college students from the Mt. Diabl area.

Together with other high school senior girls from the Bay Area they toured the Mills campus, visited classrooms, and later had refershments at the tea shop.

Mrs. F. E. Murphy, chairman of student recommendation for the Mt. Diablo Mills Club, was in charge of the tour.

Seniors from Las Lomas High School were Carol Zimmerman, Carol Cashin, Mary Ann Crosby and Wendy Kidwell.

From Pleasant Hill High School were Gerry Warren, Jo Ann Weston, Marie Damanchke, Diane Adams, Carolyn Ferro, Sue Lavinder, Betty Mathewson, Sharon Patterson and Jo Ann Quinlevan.

Art Members Revert to Days of 1849

VALLEY ART CENTER members and guests gathered last Saturday night for a gala social evening and the annual membership meeting of the organization at the home of the Cedric Wrights, 3974 Canyon Road, Lafayette. Left to right at the affair are Mrs. Wright, Michael Czaja, new president of the Valley Art Center; Wright and Mrs. Rawlings Simon, outgoing president.

Dressed in costumes representing the '49ers, members of the Valley Art Center staged a gay informal annual meeting at the Cedric Wright home, 3974 Canon Road, Lafayette, Saturday evening.

Business was disposed of early in the evening with election of officers for the coming year. Elected president was Michael Czaja of Walnut Creek and the University of California architectural department.

HAL BABBITT, Orinda, was elected vice president, and Mrs. Robert Clough, Walnut Creek, assumes a newly created position of executive secretary.

Other officers are Mrs. Richard Ward, Lafayette, seceretary, and Forrest Engelhart, Clayton, treasurer.

Members of the board of directors who will assume duties next month include: Mrs. Howard Stafford, Lafayette and Mrs. Frank Cashin, Walnut Creek, membership chairmen; Mrs. E. M. Jacobsen, Lafayette, volunteer chairman; Mrs. St. John Moran, Walnut Creek, director of the galery.

Mrs. Raymond Fischer, Danville, ways and means chairman; Mrs. Phillip Merrill, Lafayette, public relations chairman; Mrs. John Ellis, chairman of permanent site committee; Mrs. James Benney, Orinda, publicity chairman, and S. G. Culver, Orinda representative for Diablo Art Association.

OUTGOING officers are: Mrs. Rawlings Simon, Lafayette, president; Mrs. J. G. Ainsworth, vice president; Mrs. Ernest Hoverston, Lafayette, secretary. Other board members who concluded their terms include: Mrs. Arthur Sassone, Orinda, Mrs. Fred Von Guenther, Walnut Creek; Robert Babcock, Orinda; Mrs. Edmund Barnett, Lafayette; Mrs. Harold Powell, Lafayette; Mrs. Claude Waldo, Martinez, and Blair Warness Lafayette.

Among the guests were the Roger Lees of Berkeley, designer of the Cedric Wrigth home and newly completed photo studio in which were displayed some of Wright's prize winning photographs including a portrait in "The Family of Man" exhibit.

Door prizes included paintings by Michael Czaja, Edith Dinkin, Johnathan Batchelor, a portrait by Cedric Wright, a ceramic piece by Hal Babbitt. Other prizes were contributed by Mr. and Mrs. Arthur Wagstaff Walnut Creek, Dr. and Mrs. John Ellis and Mr. and Mrs. Rawlings Simon, Lafayette.

ATTENDING THE affair from Walnut Creek were Messrs. and Mesdames Peter Howard, DeWitt Kreuger, Donald MacVean, James Hull, Les Scharmer, Fred Von Guenther, Fred Udall, Arthur Wagstaff and Al Jesperson.

Frank Brown, Lafayette, arrived as a marshal and checked his firearms at the door, along with Joseph Lorber Lafayette, and Forrest Bryant, Orinda.

Pat Moran, Walnut Creek, gave a performance as a Floradora girl. Resplendent in satins and ostrich plumes were Mrs. Charles Gibbs, Orinda, Mrs. Claude Waldo, Martinez, and Mrs. James Irwin, Concord.

Mrs. J. Gordon Ainsworth was attired as a lady miner and J. Gordon as a gaudy gambler. Bill Wilkinson, Orinda, appeared as a stray Mexican and Rawlings Simon, Lafayette, as a bartender.

OTHER GUESTS included Messrs. and Mesdames Arthur Di Grasse, Robert Church, Orinda.

Messrs. and Mesdames Glen Max, George Hansen, Robert Cornforth, Robert G. Schlenker Donald Holmes, Donald Johnson, E. A. Patterson, Clifford Smith, Mac Johnstone, John Ward and William G. Egleston and Drs. and Mesdames Clifford Feiler, Percy Jennings, Harold Jones, John M. Brackenbury and Mrs. Irving Roemer and Frank Brown, Lafayette.

Dancers Enjoy Football Fun

Acalanes Folk Dancers met last Saturday night at Danville Veterans Memorial Hall for their monthly party. "Football Frolic" was the theme chosen by the party committee.

Walls and dining tables were decorated with miniature goal posts wound with the colors of Cal. and Stanford. There were streamers of blue and gold and red and white. Dance program covers were in the shape of small footballs.

SQUARES WERE called by Frank Enearl and Charlie Riley of Walnut Creek. Norm Peddicord of Lafayette was the other caller. He and his wife, Betty, were welcomed back into the club after a year's leave of absence.

Lynn and Mildred Axelson of Walnut Creek, new club members, were introduced.

Following refreshments outgoing President Marge Underwood of Lafayette conducted the business meeting. An election of new officers was held.

Those elected were Dick Banwell, president, and Irene McNichols, vice president, both of Walnut Creek. Virginia Brandes of Lafayette will be secretary and Bennett Tow of Danville, treasurer. Lynn Clark of Lafayette is the new member at large.

Dr. Clifford Feiler of Lafayette is a new director. Directors who have served one year with one more year to go are Marge Underwood and Perry Brandes of Lafayette and Winnie McGlauflin and Bud Clough of Walnut Creek.

Committee in charge of the party were Dick and Lucille Otto, Sun Valley, and Marian Horonjeff, Lafayette and Ernie and Anita Williams of Martinez.

Lollipop Tea By Towhee Unit Has Puddings

Christmas puddings for which the members of the Towhee Unit of the Mt. Diablo Therapy Center are famous, are being made to serve at the "Lollipop Tea" November 29 at the Diablo Country Club.

They will also be wrapped with fancy holiday trimmings and sold at the bazaar accompanying the tea.

Mrs. Frank Cashin is in charge of packaging the puddings.

To preside at the tea tables are the Mesdames Arch Campbell, Frank Juchter, George Schultz, Paul Marchant, Thomas Ready, Elwood E. Laws, J. M. Turner, Jack B. Cullen, Ray Williams, E. C. Counter, Lance Barden and V. Luicdo.

Mrs. Philip Knox Jr. is tea chairman. Mrs. B. B. Wilder is in charge of arrangements. Tickets may be obtained by calling Mrs. Lawrence Dodge at YE 4-6071.

Crestview Group Dons Funny Hats

Members of the Crestview Women's Club and husbands gathered at the home of Mr. and Mrs. F. W. Foley Saturday evening, for a "get-acquainted" pot-luck supper.

The high point of the evening was judging of funny hats worn by guests.

The preparations were handled by the Mesdames K. R. Butterfield, Y. W. McMurty and R. J. Nanfelt.

A regular meeting of the club was held in the auditorium of the Fair Oaks Elementary School Wednesday. Program chairman was Mrs. K. R. Butterfield.

The members were urged to bring small items for distribution at the County Home for the Aged.

Mrs. Chericoni Entertains YLI

Mrs. L. H. Chericoni of Newell Avenue, Walnut Creek, was hostess to an out of town group of women from the Young Ladies Institute of Niles recently.

The women consist of all past presidents from this club.

Present were Mrs. Dorothy Cardoza, Mrs. Ruth Silva from Centerville; Niles guests Mesdames Mae Moor, Susan Murphy, Wynne Enos Bea Chilcote and L. Scott, formerly from Niles.

Fashion Show Plans Advance

Ameeting was held at the home of Mrs. R. V. Murray, 19 Del Hambre Circle, Thursday evening to formulate plans for "Suddenly It's Spring" fashion show annually produced by Immaculata Guild of St. Mary's Catholic Church.

The luncheon and fashion show has been set for February 9 at the Diablo Country Club.

Crestview Juniors Lay Holiday Plan Prepare Gifts

Holiday plans were told November 8 at a business meeting of the Crestview Junior Woman's Club of Pleasant Hill.

Vice President Mrs. Baxter Kimbrough presided in the absence of President Mrs. Jack E. Corder.

Committee Chairman Mrs. John Taylor reported progress in preparing two Thanksgiving baskets for needy families.

SOCIAL CHAIRMAN Mrs. Harold Olson announced that there will be a Chirstmas party for the children of club members December 17 at the Fair Oaks Elementary School. Santa will dole out gifts to the youngsters. Cartoon movies will be shown and refreshments served.

December 13 has been set for a Christmas dinner at the Pioneer Village in Lafayette.

Mrs. Olson announced that for a club dance February 4 the theme of Snow Ball has been chosen. Attire for the evening will be "after ski clothes." The dance is at the Diablo Country Club.

Mrs. Kimbrough said that at a meeting November 22 a Slenderella Inc. representative will show movies.

Forum Members Busy With 'Santa Sales' Preparations

Lafayette Women's Forum members have been busy working on gift items for their "Season Settings and Santa Sales," to be held November 29 in the Veterans Memorial Building.

Mrs. Earl Plescia is chairman of the workshop and Mrs. S. De Angelis is ways and means chairman. Margaret Miller is in charge of posters.

The event will feature table settings in color schemes keyed to any decor — ranging from pink and gold through traditional red and green.

Gifts for both young and old will be on sale, with proceeds going to the building fund.

Mrs. Ray Heffner is tea chairman. Her committee consists of the Mesdames Serena Meddaugh, J. E. Barker, Dale Harden, Harry H. McElroy, Mary B. Welch, Ray Grant, W. B. Ellis, Henry Andrews and Earl Creager. Egg nog and cookies will be served.

Mrs. Raymond Ouer is in charge of decorations and the Christmas tree. Ticket chairman is Mrs. J. E. Campbell, AT 3-3223. Mrs. De Angelis is also handling tickets at AT 4-4881. Publicity chairman is Mrs. Theodore J. Clark.

CHOREOGRAPHIC WORKSHOP at Lynda Hickox's modern dance classes each Saturday include youngsters from Lafayette and Orinda schools. Left to right at one of the sessions in Room 20 of Lafayette School are Antonette Eberle of Lafayette, Judy Trumbly of Orinda, Lois Stanley of Orinda, Susan Martin of Lafayette and Miss Hickox. —Sun Photo by Mattson

Diane Wulsen Becomes Mrs. Richard Arner

Candlelight vows were exchanged in a double ring ceremony October 28 by Diane Cecille Wulsen of Nob Hill Drive, Walnut Creek, and Richard Douglas Arner of Glenwood Drive, Antioch.

The rites were performed at the Stanford University Chapel by the Rev. Minto.

Parents are Mr. and Mrs. Richard H. Wulsen of Walnut Creek, and Mr. and Mrs. Harold Stanley Arner of Antioch.

1955 Chritmas Seal Sale to Contnue $700,000 Annual Program in County

Industrial leaders this week urged owners and managers of business and industry in the county to give full support to the 1955 Christmas Seal Sale of the Contra Costa Tuberculosis and Health Association.

This year's campaign began November 1 when more than 6000 letters were mailed to local firms.

L. C. KEADING, public relations director of the Richmond Refinery, Standard Oil Company of California, and Virgil A. Fink, superintendent of General Chemical Company, Nichols, have been named co-chairmen of the Business-Industry Committee.

The Seal sale conducted by mail throughout the county, is the only source of funds for the tuberculosis prevention and control activities of the Association, according to Keading and Fink. The local campaign is a part of the 49th annual sale to be held throughout the United States by the 3000 voluntary tuberculosis associations.

In accepting their appointment, Keading and Fink noted that 150 men and women in the wage-earning bracket between 18 and 65 years were stricken by tuberculosis in Contra Costa County last year, amounting to a great loss of earning capacity and personal tragedy. A total of $770,000 was spent in the county because of tuberculosis yast year.

NINETY-FOUR per cent of the funds rasied locally stay in Contra Costa and the state to finance the program. The remaining six per cent goes to national-level campaigns.

Local funds are used for case finding, medical and social research, rehabilitation, patient services and health education.

Win Makes Pirates Champs

Dons Jump Into Lead Before Capacity Crowd at Acalanes, Then Lose 40-20

The Acalanes Dons lost the ball game last Friday night to the rampaging Pittsburg Pirates by a final 40-20 score and with the win the Pirates took the 1955 pennant.

The Pirates' win was not an easy one as the final score might indicate as the Dons gave them many anxious moments.

IN THE opening half the Dons jumped to a first quarter lead to which they clung until a minute and a half in the half when Pitt overtook them.

The game, played under the lights of Acalanes Memorial Field, found an overflow crowd witnessing the final league game of the season. The game had been postponed from an earlier date due to a bit of vandalism.

The Dons jumped to a first quarter lead when guard Jim Dinkel broke through the Pitt line to block a punt. The play started on the Pitt 20 and ended up with Dinkel falling on the ball on the one.

THE DONS hit the line twice then posted the six points with halfback Butch DeVillers ramming the ball over on an offtackle play. Fullback Stuart Busby booted the conversion try squarely between the crossbars making it 7-0.

Pitt was stung and came back fighting but it wasn't until the second quarter that they put on a 60-yard drive with quarterback Charley Verduzco taking it over on a roll out play that was good for 16 yards.

An attempted run over left tackle for the extra point bogged down and it was still the Dons, 7-6, and that's the way it stayed until a minute and a half to go when the Dons punted, and on a reverse play Pitt's halfback, Myron Robb, went 44 yards to the Acalanes 12.

VERDUZCO racked up the T.D. on the next play. A pass to end John Sanchez gave Pitt the lead 13-7.

The comeback sparked Pittsburg and they came back in the third quarter to rack up three touchdowns.

Fullback John Tackitt went 43 yards off tackle, halfback Vic Vagliente went over from the 10 for another touchdown and Verduzco scored again on a 36-yard roll out.

THE DONS got into the scoring act when Quarterback Rich Markstein fired a 15-yard pass to End Pete Villa who went another 46 yards to score standing up after some beautiful broken field running.

In the final period of play the Dons drove 45 yards to the Pitt one and Markstein went over on a quarterback sneak.

The night's scoring ended when Robb broke over guard and galloped 61 yards to score.

INCIDENTALLY, the 20 points was the most scored against the Pirates this season.

The win gave the Pirates the championship and put Las Lomas in the runner-up spot. Antioch was third, the Dons fourth, Diablo fifth and Pleasant Hill wound up in the cellar.

GRIMACING RAMS attempt to bring down the Dons' hard running halfback, Mike "Rabbit" Barrett, early in the fourth quarter in the Acalanes-Pleasant Hill game. Due to the running of Barrett and the rest of the Don backfield, the Rams were soundly trounced 35-13 in a hard played game at Concord November 4.

Diel Correction: Don Babes Win JV Championship

By its 32-13 defeat of Las Lomas as last week, Acalanes won the 1955 junior varsity football championship in the Diablo Valley Athletiv League's Contra Costa Division, Secretary Ferd Diel of the division announced yesterday.

Diel said an announcement from him on Wednesday that Las Lomas captured the J.V. title was incorrect.

The Acalanes-Las Lomas junior varsity game and the nabbing of the J.V. crown by the Don Babes were correctly reported in last week's Sun.

Here are the final junior varsity standings, as reported by Diel:

Coaches Pick All-Stars; Results Will Be Announced

By ERWIN MATTSON

THE FOOTBALL SEASON is now a matter of history, and the concluding act will be the announcement of the all-star team.

The selections were made Monday night when the coaches of the respective teams in the league held a confab at Las Lomas High.

Three teams were finally selected after much debate and variance of opinions. Players were nominated, then discussed and finally voted on.

It was an interesting session and a departure from the practice of former years, when players and coaches voted and sent in ballots to Charles Zeno of the Pittsburg Post-Dispatch.

The idea of having the coaches meet and discuss the selection will probably be a much better method, as one gets a much better consensus. No one coach got everything the way he wanted it or thought it should be. In some cases the votes were surprising, and it was an enlightening experience getting the expressions of others regarding your own players.

The results will soon be put out officially by the principals' association.

A NEW CHANGE in football schedules for next year proposes putting the J.V. games on prior to the varsity games, which means that fans can really get a full night of football.

One reason for the change is that it was felt that doctors would be more readily available than in the afternoon play, when getting a doctor becomes at times impossible, inasmuch as they are busy with their practice.

Antioch, for instance, couldn't get an M.D. and transferred the game to Acalanes.

Fortunately, Acalanes has been lucky in getting doctors, although the job has fallen to a few who were willing to give up their time.

The New J.V. schedule, which is still under discussion, will have to start in time to finish by 7:30 so the varsity can get in a pre-game warmup. A proposed time has been recommended by the coaches—5:45 p.m.

Problems arise regarding gatekeepers and the host of helpers necessary, as it makes for a long stretch with a doubleheader on hand.

Another problem arises in regard to officials, as to whether to use one or two sets.

The idea has many wrinkles to be ironed out, but time and the event will no doubt solve the many problems.

MIRAMONTE will have a sophomore group next year and as a result will play in the J.V. schedule as a regular member.

It will be a bit of a rough go in some ways but will go a long way toward knitting a solid, experienced varsity for the next two seasons.

THE BASKETBALL Tournament, like the Baseball Tournament, has been abolished, for this year at least.

The Basketball Tournament was held at the beginning of the season, while the Baseball Tournament was held at the end of the season.

In basketball the idea was sponsored by the United Lettermen's Council, with the purpose of providing a preview of the teams and to raise funds.

In baseball the idea was to keep interest up, with teams trying to be one of the top four in order to get into the tournament.

The coaches have recommended its return, with all but one coach in favor. It remains to be seen what will happen—a good guess, on the basis of past experience, is that anything can.

COACHES IN basketball are busy with practice sessions. Look for early games to be on the ragged side, due to limited practice sessions.

Coaches, on the whole, are singing the blues, but the Rams' coach, Art Poulin, has that Mona Lisa smile, which could mean a lot.

Complete your color scheme with Color telephones

Haven't you pictured how attractive it would be to have extension phones to match the colors in your home. Well, now you can. They come in 8 lovely shades to complete the color scheme in any room. Red, blue, green, yellow . . . beige, brown, ivory or gray. Or in 4 "two-tone" combinations. And imagine the convenience of always having a phone within easy reach. Call our business office today. Pacific Telephone.

Take life easy . . . each extension phone costs less than a nickel a day

"I was always washed out on washdays . . .

and then I got an automatic dryer!"

When the wash is out on the line, do you feel like a washout yourself? Who wouldn't, with all that lugging, stooping and pinning. Then, when the clothes finally dry, there's the same routine in reverse. Wouldn't you rather toss the wash into an automatic dryer? At the twist of a dial, the dryer gets them fluffy and sweet . . . or ready for ironing. With P. G. and E.'s low rates, you can run a dryer for pennies a week. See your appliance dealer today, and get rid of washday's hardest job!

Sun Valley Socials

By LIBBY LANGDELL and ELAINE ANDERSON

CELEBRATES SEVENTH

November 5, Michael Marken, son of the John Markens, celebrated his seventh birthday with a party.

The guests enjoyed refreshments at Michael's home on Juanita Drive and then attended the movies with him. They were Paul Winters, Ricky Schaer, Bobby Tromvig, Kevin Kanzler, Emmett Helrich, Michael Tebbets, Douglas Pumphrey, Kirk Zimmer, Bob Hunter, John Mattos, Neil Krebs and John Kroninger.

CREDIT TO CRUSADERS

Halos this week go to the Sun Valley women who rang doorbells on behalf of the United Crusade. They were under the leadership of Mrs. Francis Powers and her area captains, Mrs. Richard Schimmel, Mrs. Don Johnson and Mrs. Bert Yarbrough.

Ladies doing the footwork were Mesdames James Cummings, Delbert White, William Rowley, Henry Hood, Joseph Idelson, Don Burk, William Reeves, William Hendricks, E. L. Gurney, E. W. Laidlaw, Michael O'Toole, H. C. Rodgers, Myron DeFount, Dale Lambert, Charles Currier, E. G. Craig, Hans Lauenroth, Russell Spingola, Taylor Scruggs, Detley Roby, William McGeehon, Milton Terry, Lynn Axelson, Harry Page, George Roberts and Ross Reagan.

MOVING DAYS COMING

Several Sun Valley families who are long-time residents are making plans to move in the near future.

Acacia Road's Harold Hansens are building a new home near Orinda, with several acres of play space for their boy and three girls. As he is an architect, they are including all the things they really want in their new place, and expect to be housewarming there in February.

The Jack Pumphreys on Kinney Drive have a new home going up in Lafayette, to give them more living area for themselves and their three children.

The Orville Morrow family on Acacia Road will start the new year across the continent in Delaware, where business takes them. Mrs. Morrow and the children, all native Californians, are looking forward to four-season weather and other things about the East they've heard of, but never seen.

The Fred Boyers are making plans to move north to Oregon for a go at life on a ranch. Their house on Juanita Drive will have new owners while the Boyers go to Antioch for a short while before taking off for the country.

CUBS ATTEND GAME

Sun Valley had a sizeable rooting section at Memorial Stadium in Berkeley Saturday for the thriller between Cal ond Oregon State. Cubs from Packs 79 and 219, with a lot of football-fan fathers to provide transportation, enjoyed an exciting afternoon.

Arrangements for tonight's meeting of Pack 219 at 8 at Montecito School were made by the Pack Committee at a meeting Tuesday night in the Abbey Court home of Assistant Cubmaster Paul Adams.

SCOUT MOTHERS ENTERTAIN

Sun Valley's Scout Troop 219 has a unique situation, in that the scoutmaster and one of the assistant scoutmasters are up to their ears in lore though their sons aren't old enough for cubs yet.

The Scout Mothers' Club, to show appreciation had a luncheon last Wednesday with Mrs. Jim Quick and Mrs. Joe Langdell as the guests of honor. It was held at the home of Mrs. Loren Dodds on Sunset Loop. (To inject a personal note: as one of the honored guests, the contrast between last Wednesday and my usual hastily-grabbed peanut butter on raisin bread was terrific, and I loved every minute of it. LML)

Attending were Mesdames Jim Pangburn, Harry Couden, Clarence Britos, Clifford Schroeder, Jack Cullen, Norman Clark, Edward Shaw, Orville Morrow, Frank Oddone, Loren Dodds, William Harper, John McClurg and Earle Kavert.

PAPER PICKUP POSTPONED

The Cub and Scout waste paper drive which had originally been planned for tomorrow has been delayed. A new date, December 12, is now scheduled. Sun Valleyites are requested to save their bundles until then.

Mrs. Robert Moore was hostess last week at her home on Carolyn Court for the November gathering of the Sun Valley Home Study Group. Sun Valley members are Mesdames Dolph Swenson, Bruce Gill, Sam Adkins and Walter Turner.

HOLIDAY WELL SPENT

Members of Intermediate Girl Scout Troop 145 took advantage of the vacation last Friday, for an outing on Mt. Diablo. They used the Rock City area as a base of operations, took hikes, practiced "tracking and stalking," and wound up with a cook-out.

The girls were accompanied by their leader, Mrs. C. D. Bradley, and committee chairman, Mrs. Harry Couden. From the mountain the troop went to Mrs. Bradley's home in Lafayette, where they "camped out" for the night, out-of-doors in their sleeping bags.

Participants were Sun Valley's Penny Couden, Janet Starn, Suzanne Stephens, Virginia Tycer, Bonnie Robinson and Sandy Ballou; Cynthia Canning and Judy Bradley of Lafayette; and Joan McNulty of Walnut Creek.

FAREWELL AFFAIR

Friday night found four Sun Valley couples enjoying dinner and dancing at the Naval Officers' Club in Alameda. The occasion was a farewell party for the Fred Boyers on Juanita Drive. The Bob Campbells of Hilton Court were host and hostess. Other guests were the Harry Netherys of Juanita Drive and the Ross Reagans of El Curtola Boulevard.

The William Barber home on Manzanita Court was a beehive of activity Friday night. About twenty-five couples from Manzanita Court and nearby Ponderosa Lane gathered there for a buffet party with dancing arranged by the Mansfield Garretts, Harley Hulls, Martin Rotondos and the Barbers.

Health Group to See Mental Ward Of Hospital

The psychiatric ward of the County Hospital in Martinez is the object of interest for the first field trip sponsored by the Central Contra Costa Mental Health Society.

The trip is scheduled for 11 a.m., Tuesday, and is open to members and interested persons.

According to Walton Kirk, president "This is the ward that mental patients from this area enter for observation before admittance to any state hospital. The group is striving to learn more about the nation's number one health problem. There are more people in hospitals with mental illnesses than with cancer, T. B., heart disease and all physical illness combined and the simplest thing we as citizens can do is to learn more about mental illness."

Members who would like to go should call Mrs. Charles Violet of Orinda, at CL 4-5816 before Sunday. The trip is limited to the first 12 memebrs who phone. Mrs. Violet, who serves as coordinator of field trips, hopes to offer a monthly schedule of other equally interesting trips to the membership.

County Seeks Clerks, Typists

Stenographer, Clerks and Typist Clerks are being sought to fill vacancies in Contra Costa County offices in Martinez, Pittsburg and Richmond.

Typist clerks are required to have a twelfth grade education and must be able to type at least 40 words per minute. Applicants may substitute clerical experince for educaion up to a maximum of two years.

Stenographer clerks must have completed the twelfth grade and in addition to demonstrate the ability to type 40 words per minute, and take shorthand at 90 words per minute. Starting salaries are $247 and $259 respectively, with periodic advancements.

Persons may obtain applications from the Civil Service Department Office, Room 229, Hall of Records, or by calling Martinez 2000, Extension 415.

Hospital Aides Now in Demand

The Contra Costa County Civil Service Commission today announced that male applicants are being sought as hospital attendants. Salary is $259 - $311. The requirements are eighth grade education and at least six months of experience as a practical nurse or hospital attendant. Additional experience or training may be substituted for the last two years of grammar school on a year-for-year basis. F. E. Emery, Director of Personnel, indicated that Army or Navy experience in one of the above categories would be considered qualifying.

Meridian District to Install Officers

Officers of the Meridian District, Mt. Diablo Council Boy Scouts, were installed by Justice A. F. Bray, council president, at the annual pot-luck dinner held at the Holy Ghost Hall, Walnut Creek, Wednesday evening, according to G. H. Macey, district chairman.

Invested, also, was the Commissioner Staff including 32 neighborhood and assistant district commissioners. C. K. Parker of Richmond, council commissioner, directed.

SPEAKER WAS Robert Perin, assistant director of volunteer training of the Boy Scouts of America. Perin is one of a few instructors in the United States of international Wood Badge training for Scoutmasters, which was started by Lord Baden-Powell at Gilwell near London, many years ago.

Perin has recently completed a series of television shows on the skills of Scout craft. A resident of Phoenix, Ariz., Perin's official office is in Los Angeles, headquarters of Region XII.

Beginning with a pot-luck dinner at 7:15, Scouters and their partners from Orinda, Lafayette, Walnut Creek, Danville, Alamo, Canyon-Moraga and Pleasant Hill attended. Each group planned its own menu, table decorations, and identifying insignia.

MASTER OF ceremonies for the evening was C. R. Graf, former district chairman, now chairman of the finance committee of Mt. Diablo Council.

Scheduled to be present were three Explorer of Meridian District who attended the international Jamboree at Niagara, Ontario, last August — Stephen DeMaria and Dave Brown of Orinda and Bruce Herbert Jr. of Pleasant Hill.

Dramateurs Hold Workshop Monday Evening

The monthly workshop of the Dramateurs will be held in the Fellowship Hall at the Orinda Community Church Monday at 8 p.m. The program will consist of two dramatic presentations.

Students of Miss Bess Whitcomb from East Contra Costa Junior College will give one act from Tennessee Williams' "This Property is Condemned." Those taking part are Carol Beckman and John Basquez.

Vicky Harvey a student from Diablo High School, will give an excerpt from G. B. Shaw's "Joan of Arc."

The public is invited. Coffee and doughnuts will be served and there is no admission charge.

Winter Quarter Signups to Open

In order to accomodate the hunderds of people actively engaged in the community adult program offered by the Acalanes Adult Center, pre-registration for the winter quarter, which will be gin January 3, will be taken at the Adult Office beginning December 1.

The Adult Office will be open Monday through Thursday evenings until December 15 for this purpose. Many of the classes to be offered again in the winter quarter are now in session and the public is invited to attend these as a "preview" of the coming program.

Further information on the courses being offered may be obtained by phoning AT 3-6262 or coming into the Adult Office at Acalanes High School.

Winner Will Get Dodge Each Year

Want a new car every year of your life—free, gratis, for nothing?

Some lucky motoris may win just such an award in the highway safety quiz sponsored by Dodge Division, Chrysler Corporation. Applications will be received up to November 28, according to Gorrill Butler of Butler Automobile Co., 3434 Mt. Diablo Boulevard, Lafayette.

"There's no catch to this contest," said Butler. "It is open to everyone 21 or older, who possesses a current driver's license."

Winners will be named on the basis of their knowledge of driving and safety principles. Registrations, of three to ten word safety slogans, may be made at Butler Automobile Company.

Alcazar to Host Marital Comedy

The Alcazar Theater box office is open for the sale of tickets for that hilarious marital comedy "Anniversary Waltz," which will be on stage Sunday, Monday and Tuesday evening.

The play concerns the story of a reasonably young, reasonably nice couple, who, harrassed by precocious, uninhibited children, boorish, interfering parents, a busybody servant, numerous guests and the normal aggravations of marriage, have a violent squabble and split up at their 15th anniversary dinner party.

Hugh Marlowe heads the cast.

HOMES THAT ARE DARINGLY DIFFERENT

WOODLAND TERRACE

In Orinda

Today we invite you to see the homes built by a builder who dares to be different — C. M. Teigland, whose custom built, quality residences have been the choice of discriminating buyers for more than a quarter of a century.

The home illustrated above is typical. It reflects Mr. Teigland's belief that there is a demand for homes which depart sharply from the "run of mill" — in design, arrangement and features.

As a setting for the lovely, unusual homes he is building, Mr. Teigland selected and developed Woodland Terrace, Orinda's newest homeland. The sites are estate-sized all at least half an acre. They are level or nearly level — easy to build on. Each has a marvelous view and the extra space you need for the kind of indoor-outdoor living you move to the country to enjoy.

Wisely drawn restrictions and the development plan protect future home values. All utilities, including sewer, are in and paid for. The location is 17 minutes from downtown Oakland, 35 from San Francisco. It is close to fine schools.

MODEL HOME OPEN

You will want to see this homeland. A model home, priced at $38,500, including complete built-in kitchen appliances, is now open. Come out today.

DIRECTIONS: From Orinda Interchange turn south two miles to Hall Drive. Left on Hall Drive to Woodland Terrace.

Suns Will Be Early – Deadlines, Too!

Due to the Thanksgiving Day holiday, the Sun Shopping News will come out next Tuesday (instead of the usual Wednesday) and The Sun will be issued next Wednesday (instead of Friday).

The earlier papers next week will mean you'll have news and advertisements in your hands well before Thanksgiving Day.

Thus you'll be aided in your shopping prior to Thanksgiving, and you'll know the latest area news before relaxing for the holiday.

All this necessitates advances in publication days and in deadlines. So that you'll be sure to receive your papers on time, the following deadlines will be observed:

Advertising — Display, 5 p.m. this Saturday; classified, 10 a.m. Monday, with "Too Late to Classify" ads accepted until noon Monday.

News — Since press day for The Sun will be Tuesday, all correspondents columnists, publicity chairmen and others are urged to turn in their news copy earlier than usual — by tomorrow or Sunday, if possible.

All these changes are just for next week's papers. After that, schedules of the Sun Shopping News and The Sun will return to normal.

Classified Ads Bring Christmas Cash

With Christmas and its joy of giving soon to be anticipated by every adult and child, NOW is the time to make some extra money, and at the same time clear away unwanted items from the house.

Those items which were once so desired by you will be as ardently sought after by people who read the classified columns of The Suns in Walnut Creek, Lafayette and Orinda and the Sun Shopping News — which means about everyone.

THEY ARE THINKING about Christmas too.

They will need children's toys, trains, bikes and many useful items, which you probably have stuffed away somewhere in the attic or basement.

AND THE MONEY they would otherwise have spent elsewhere will go into your own Christmas savings account.

Now is the time to advertise, before the rush begins, and before the purchases have already been made for that most important day of the year.

Ad in Sun Finds Burro New Home

Even as odd an item as a friendly burro is easy to sell if you advertise in the classified columns of the Sun Shopping News, which also goes into the three weekly papers in Walnut Creek, Lafayette and Orinda.

Dr. R. W. Ohl of 1175 Oleander Drive, Lafayette, wrote The Sun Friday expressing his amazement and appreciation for the landslide of replies he received.

"I thought I would run the ad as a trial to see if anyone would be interested, actually not wanting to sell the burro too badly—the ad appeared when the first shopper came out Wednesday, and the burro was sold at 7:45, Thursday morning!"

Chiefs View Civil Defense Measure

A meeting of Contra Costa County law enforcement chiefs was held at the Contra Costa County Civil Defense office November 9.

Called by the California Highway Patrol, it was to coordinate the routing of traffic during a possible civil defense evacuation. Sgt. Alex Koven of the CHP instructed the group in th proposed movement of traffic.

Present were W. W. Pedertti, chief of police of San Pablo; R. W. Orin, chief of police, Concord; Sal P. Jimno, police chief, Pittsburg; E. L. Fitch captain in the Richmond Police Department; H. A. Thulin, chief of El Cerrito; G. A. Yool, chief of Kensington; E. A. Carlson, sergeant of the Antioch Police Department.

Frank Pereira Jr., sheriff's aide; W. Gregory of the San Pablo Police Department; Allen A. Rhodes, law enforcement coordinator for CCC Civil Defense, and William W. Ward Jr., director of the CCC Office of Civil Defense.

PARKING LIGHTS

A new law prohibits the use of parking lights at any time a vehicle is moving unless the headlamps are also lighted.

BPW Group Holds First Meeting of New Season

The Walnut Creek Professional and Business Women's Club held its first meeting of the new year at Stan's Brick House, corner of North Main and Oakland Boulevard, Tuesday.

County Share in Highway Tax Set

State Controller Robert C. Kirkwood has advised County Auditor Howard McNamer that Contra Costa County's share of the September highway users taxes is $124,241.34.

Of the $25,128,955 in highway users tax collected in September, $5,940,000 went to the counties, $3,248,920 to the state highway fund for cities, and $15,940,035 to the state highway fund for highways.

Net gasoline taxes accounted for $22,434,430, use (diesel) fuel taxes for $1,515,228, and the monthly transfer from the motor vehicle transportation tax fund, for $1,179, 061, of the $25,128,955 available for apportionment.

In determining the net gasoline tax, $1,610,864 was deducted for refunds to non-highways users, $47,699 for administrative expenses, and $225,622 in unrefunded aviation fuel taxes were deducted from gross collections of $24,318,615.
